*Export Opportunities and Barriers in African Growth and Opportunity Act-Eligible Countries*

AGENCY: United States International Trade Commission

ACTION: Institution of investigation and scheduling of hearing

SUMMARY: Following receipt on November 15, 2004, of a request from the United States Trade Representative (USTR) under section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332 (g)), the Commission instituted investigation No. 332-464, *Export Opportunities and Barriers in African Growth and Opportunity Act-Eligible Countries*.

BACKGROUND: As requested by the USTR, in its report the Commission will identify, with respect to each of the 37 sub-Saharan African countries that are eligible for African Growth and Opportunity Act (AGOA) trade preferences, (1) the major economic sectors with the greatest potential for growth in export sales, and (2) domestic and international barriers that impede trade growth in such sectors. The Commission will also include in its report any information it identifies, in the course of its research efforts, concerning private sector initiatives and technical assistance programs that attempt to address such barriers.

As requested by the USTR, the Commission will seek to provide its report by June 30, 2005.

EFFECTIVE DATE: December 6, 2004
