

UNITED STATES INTERNATIONAL TRADE COMMISSION

ASPIRIN FROM TURKEY  
(Investigation No. 731-TA-364 (Second Review))

AGENCY: United States International Trade Commission.

ACTION: Termination of five-year review.

SUMMARY: The subject five-year review was initiated in July 2004 to determine whether revocation of the antidumping duty order on aspirin from Turkey would be likely to lead to continuation or recurrence of dumping and of material injury to a domestic industry. On October 1, 2004, the Department of Commerce published notice that it was revoking the order effective August 20, 2004 because "the domestic interested parties did not participate in this sunset review" (69 FR 58891). Accordingly, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)), the subject review is terminated.

EFFECTIVE DATE: August 20, 2004.
