² Please eliminate any profits or (losses) on inputs from related firms pursuant question III-8.
³ Less discounts, returns, allowances, and prepaid freight. The quantities and values should approximate the corresponding shipment quantities and values reported in Part II of this questionnaire.
⁴ COGS should include costs associated with CS, IC, and Transfers, as well as export shipments in question II-8.

Note -- The table above contains calculations that will appear when you have entered data in the MS Word form fields.

PART III.--FINANCIAL INFORMATION--Continued

III-10(b). **Financial data reconciliation.**--The calculable line items from question III-10 (*i.e.*, total net sales quantities and values, total COGS, gross profit (or loss), total SG&A, and net income (or loss)) have been calculated from the data submitted in the other line items. Do the calculated fields return the correct data according to your firm's financial records ignoring non-material differences that may arise due to rounding?

Yes No.--If the calculated fields do not show the correct data, please double check the feeder data for data entry errors and revise.

Also, check signs accorded to the post operating income line items; the two expense line items should report positive numbers (*i.e.*, expenses are positive and incomes or reversals are negative--instances of the latter should be rare in those lines) while the income line item also in most instances should have its value be a positive number (*i.e.*, income is positive, expenses or reversals are negative).

If after reviewing and potentially revising the feeder data your firm has provided, the differences between your records and the calculated fields persist please identify and discuss the differences in the space below.

PART III.--FINANCIAL INFORMATION--Continued

III-11. **Asset values.**--Report the total assets (i.e., both current and long-term assets) associated with the production, warehousing, and sale of **PRODUCT**. If your firm does not maintain some or all of the specific asset information necessary to calculate total assets for **PRODUCT** in the normal course of business, please estimate this information based upon a method (such as production, sales, or costs) that is consistent with your firm's cost allocations in the previous question. Provide data as of the end of your firm's three most recently completed fiscal years.

Note: Total assets should reflect net assets after any accumulated depreciation and allowances deducted. Total assets should be allocated to the subject products if these assets are also related to other products. Please provide a brief explanation if there are any substantial changes in total asset value during the period; e.g., due to asset write-offs, revaluation, and major purchases.
