### Appendix D. Category III Petitions

As required by Section 3(b)(3)(E) of the AMCA, the following table provides a list of petitions for duty suspensions and reductions for which the Commission recommends modifications to the amount of the duty suspension or reduction that is the subject of the petition to comply with the requirements of this Act, with the modification specified and updated as appropriate under subparagraph (D). These petitions are referred to as "Category III Petitions" for the purposes of this final report.

Click on the petition identification number (ID) bookmark listing to link to a detailed summary for a specific petition. If your petition ID does not appear in the first column it may have been consolidated. Please refer to Appendix A to identify the Master petition ID.
