Appendix H. Category VI Petitions

As required by Section 3(b)(3)(c)(ii) of the AMCA, the following table provides: "(VI) A list of petitions for duty suspensions and reductions that the Commission does not recommend for inclusion in a miscellaneous tariff bill, other than petitions specified in subclause (V).” These petitions are referred to as "Category VI Petitions” for the purposes of this preliminary report.

Click on the petition identification number (ID) bookmark listing to link to a detailed summary for a specific petition. If your petition ID does not appear in the first column it may have been consolidated. Please refer to Appendix A to identify the Master petition ID.

Preliminary Report - Petition 1900490

Overview
Preliminary Category: VI
Petitioner: HSNi, LLC
Petitioner Location: St. Petersburg, FL 33729
Product Name: Full tang knives
HTS Number: 8211.92.90
Chapter 99 Number: N/A
CAS Number: N/A
Article Description: Kitchen knives with stainless steel fixed blades, each with visible full tang in handle components of plastics, the foregoing whether or not packaged with a cutting block, scissors, knife sharpeners or related accessories (provided for in subheading 8211.92.90)

Technical Comments: The Commission has determined that the petition cannot likely be administered by CBP, as drafted. Public information in the petition or language in the HTS does not provide enough information to support a technical correction to resolve this concern. The Commission does not recommend this petition based on domestic producer objection(s).

Petitioner: Suncast Corporation
Petitioner Location: Batavia, IL 60510
Product Name: Decorative steel garden hose hangers
HTS Number: 7326.90.86
Chapter 99 Number: N/A

Article Description: Decorative garden hose hangers, made of steel, measuring 264 mm to 375 mm in width, 93 mm to 279 mm in height, and 18 mm to 279 mm in depth (provided for in subheading 7326.90.8688).

Technical Comments: The Commission notes that while petitioner indicated the relief sought is not available to any person importing the article, the language of the article description itself does not limit importation by any person and the Commission's affirmative determination is based upon the language of the article description, as specified in the petition with any necessary technical changes incorporated.

The Commission has determined that the petition cannot likely be administered by CBP, as drafted. Public information in the petition or language in the HTS does not provide enough information to support a technical correction to resolve this concern.
