## Table of Contents

- **Overview**
- **Executive Summary**
- **Data and Results**
  - Complaint Activity and Disposition
  - Judgment Fund Reimbursements and Budget Adjustments
  - Disciplinary Actions
  - Trend Analysis for EEO Complaint Data
- **No FEAR Training**
- **Practical Knowledge Gained Through Experience and Actions Planned or Taken to Improve Compliant or Civil Rights Programs**
- **Conclusions**
- **Appendix: Five-year Complaint Activity Data**

## Overview

The mission of the U.S. International Trade Commission (USITC) is to investigate and make determinations in proceedings involving imports claimed to injure a domestic industry or violate U.S. intellectual property (IP) rights; provide independent analysis and information on tariffs, trade, and competitiveness; and maintain the HTS. USITC conducts periodic self-assessments of its Equal Employment Opportunity (EEO) programs against six essential elements identified as standards for a model EEO program by the Equal Employment Opportunity Commission (EEOC).

To maximize effectiveness, USITC seeks to achieve exemplary EEO programs and lead as a model agency by eliminating discrimination, retaliation, or bias conduct within the workplace.

The No FEAR Act, Public Law 107-174, requires federal agencies to be publicly accountable for violations of Antidiscrimination and Whistleblower Protection laws. Federal agencies must post both quarterly and annual statistical data for federal sector EEO complaints on its public website, reimburse the Treasury Judgment Fund (Judgment Fund) for any payments made, and notify employees and applicants for employment about their rights under Antidiscrimination and Whistleblower Protection laws.

The No FEAR Act and its implementing regulations also require federal agencies to report annually on the following:

- The number of Federal Court cases arising under the respective areas of law cited in the No FEAR Act where discrimination was alleged, the status or disposition of cases, and the amount required to be reimbursed to the Judgment Fund;
- The number of employees disciplined for discrimination, retaliation, harassment, or any other infraction of any provision of law referred to under the Act, and specific nature of the disciplinary action taken, separated by provisions of law;
- The final year-end data on discrimination complaints for the fiscal year;
- A detailed description of agency policy relating to appropriate disciplinary actions;
- An analysis of trends, causation, and practical knowledge gained through experience;
- Actions planned or taken to improve complaint or civil rights programs; and
- Any adjustments to the budget

Pursuant to congressional and statutory requirements, this report is being provided to the following:

- Speaker of the U.S. House of Representatives;
- President Pro Tempore of the U.S. Senate;
- Homeland Security and Government Affairs Committee, U.S. Senate;
- House Committee on Oversight and Reform, U.S. House of Representatives;
- Each Committee of Congress with jurisdiction relating to the agency;
- Chair, Equal Employment Opportunity Commission;
- Attorney General; and
- Director, U.S. Office of Personnel Management.

The achievements during Fiscal Year (FY) 2021 have paved the way for meaningful and measurable improvements in USITC's EEO and Diversity, Equity, and Inclusion programs. We look forward to continuing to provide information on the successes of these programs in future reports.

## **Executive Summary**

The No FEAR Act aims to reduce the incidents of workplace discrimination within the federal government by holding agencies and departments accountable for their actions. Section 203 of the No FEAR Act and the Office of Personnel Management (OPM) regulations implementing Title II of the No FEAR Act require each federal agency to prepare and submit an annual report. Accordingly, this report covers information for FY 2021.

During FY 2021, USITC received zero (0) EEO complaints, zero (0) Federal Court cases pending or filed and has zero (0) open cases at EEOC.

In FY 2021, USITC had zero (0) reimbursements, (0) settlements, (0) findings, or disciplinary actions for violating its policies for discrimination, retaliation, harassment, or other violations of the Antidiscrimination and Whistleblower Protection laws included in the NoFEAR Act.

USITC continues to place strong emphasis on NoFEAR Act Training. During FY 2021, all agency employees were in compliance with the bi-annual No FEAR Act Training requirements. To ensure the agency-maintained 100 percent participation, all incoming employees received the training during the onboarding process.

The Office of Equal Employment Opportunity (OEEEO) assists USITC's leadership in shaping policies to protect the personal liberties of all employees. The OEEEO develop policies and plans, generate reports, deliver training and briefings, conduct oversight, process EEO complaints, and integrate civil rights and civil liberties into USITC's initiatives and activities.

## **Data and Results**

This report is prepared in accordance with Section 203(a)(1) of the NoFEAR Act which requires federal agencies to include in their annual report to Congress "the number of cases arising under each of the respective provisions of law covered by paragraphs (1) and (2) of section 201(a) in which discrimination on the part of such agency was alleged." OPM's final regulations on reporting and best practices, issued on December 28, 2006, require that federal agencies report on "the number of cases in Federal Court [district or appellate] pending or resolved arising under each of the respective provisions of the Federal Antidiscrimination and Whistleblower Protection laws applicable to them in which an employee, former federal employee, or applicant, alleged a violation(s) of these laws, separating data by the provision(s) of law involved." (5 CFR 724.302)

### ***Complaint Activity and Disposition***

During FY 2021, USITC reported zero (0) Federal Court cases ensuing from Antidiscrimination statutes listed in the NoFEAR Act.

### ***Judgment Fund Reimbursements and Budget Adjustments***

Section 203 (a)(8) of the NoFEAR Act requires that agencies include in their annual report to Congress information about “any adjustment (to the extent the adjustment can be ascertained in the budget of the agency) to comply with the requirements under section 201.” Section 201 requires federal agencies to pay awards for discrimination and retaliation violations out of their own budgets. They are required to reimburse the Judgment Fund within a reasonable time of any such award. USITC had no findings of discrimination or retaliation; therefore, no budget adjustments were made.

### ***Disciplinary Actions***

Section 203(a)(4) of the No FEAR Act requires that agencies include in the annual report to Congress “the number of employees disciplined for discrimination, retaliation, harassment, or any other infraction of any provision of law referred to in paragraph (1).” For Federal Court cases involving allegations of a violation of Antidiscrimination or Whistleblower Protection laws, 5 CFR 724.302 (a)(3) requires the agency to report the number of employees disciplined.

The 5 CFR 724.102 defines discipline to include any one, or a combination, of the following actions: reprimand, suspension without pay, reduction in grade or pay, or removal.

During FY 2021, no USITC employees were involved in any Federal Court cases. Additionally, there were no findings of discriminatory, retaliatory, or harassing practices. Therefore, there were no disciplinary actions taken on any employee for violating the agencies’ policies on discrimination, retaliation, harassment, and/or other violations of the Antidiscrimination and Whistleblower Protection laws included in the NoFEAR Act.

Section 203 (a)(6) of the NoFEAR Act requires that federal agencies include in their annual report to Congress a detailed description of the policy implemented by the agency relating to disciplinary actions imposed against a federal employee who discriminates against any individual in violation of any of the laws cited under section 201(a)(1) or (2), or who committed another prohibited personnel practice which was revealed in the investigation of a complaint claiming a violation of any of the laws cited under section 201(a)(1) or (2).

Jason E. Kearns was designated USITC’s Chair by President Donald J. Trump on June 17, 2020. Chair Kearns issued his initial EEO policy statements on September 22, 2020. The policies were issued to: (1) cover all forms of harassment, (2) require immediate and appropriate corrective action, (3) provide points of contact for reporting and filing a complaint,

(4) define necessary legal terms, (5) require training for the workforce, and (6) protect employees from retaliation. These statements were emailed to all employees by the EEO Director and posted on USITC's internal webpage (intranet) and its public websites. Other USITC policies require all employees to cooperate in EEO investigations. These policies also require the agency to take appropriate disciplinary action against those engaging in unlawful discriminatory practices or allowing discriminatory practices to exist.

### ***Trend Analysis for EEO Complaint Data***

Year-end summary data for FY 2021 EEO complaint activity included in this section presents a three-year (FY 2019 to FY 2021) trend analysis for EEO complaint data, pursuant to the No FEAR Act, Section 1614.704. Overall, the data shows an average of one (1) complaint annually.

#### ***Complaint Activity***

The complaints made against the USITC during FY 2019 through FY 2021, resulted in no findings of discrimination.

#### ***Complaints by Bases and Issues***

The complaints filed were based on race, color, sex, gender and age.

#### ***Processing Time***

The average investigation time when a hearing was requested or not was less than the regulatory timeframe under 29 CFR 1614. Overall, no major difference in the average investigation time was identified during the three-year period.

#### ***Final Actions Finding Discrimination***

FY 2019 through FY 2021, USITC did not issue any final actions or findings of discrimination.

#### ***Pending Complaints***

At the end of 2021, there were zero complaints pending in the investigation stage.

#### ***Complaint Investigations***

In the three-year period, all complaints were investigated within the regulatory timeframe.

### ***NoFear Act Training***

Section 202(c) of the NoFEAR Act requires federal agencies to provide training for employees on the rights and remedies under Antidiscrimination or Whistleblower Protection laws. Under 5 CFR 724.203, federal agencies were required to develop a written training plan and to have trained their employees by December 17, 2006, and every two years thereafter. Under implementing regulations, new employees are to receive No FEAR Act training within 90 days of appointment through either an agency's orientation program or some other No FEAR Act training

program.

USITC provides NoFEAR Act training to new hires during new-hire orientation. Further, USITC requires employees to complete NoFEAR Act training every two years. NoFEAR Act training is available through the USITC Learning Management System (LMS). The LMS is USITC's primary electronic platform to capture training data. During FY 2020, agency employees received NoFEAR Act training and will receive the training again during FY 2022. USITC recognizes the critical role that training plays in raising awareness and fostering behavioral changes. In addition to the NoFEAR Act training, USITC provides employees and managers training on the prevention of harassment in the workplace and other EEO related training.

***Practical Knowledge Gained through Experience and Actions Planned or Taken to Improve Complaint or Civil Rights Programs***

The dignity with which USITC treats employees is critical to the successful completion of its mission. To foster continuous improvement in this area, USITC fully engages the talents and competencies of employees through a Diversity, Equity, and Inclusion (DEI) Program in support of Executive Orders 13985 (*Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*) and 14035 (*Diversity, Equity, Inclusion, and Accessibility in the Federal Workforce*).

On June 25, 2021, President Biden signed *Executive Order 14035*, which established the policy to cultivate a workforce that draws from the full diversity of the Nation and advances equitable employment opportunities for individuals who are members of underserved communities. USITC has been committed to identifying and adopting best practices to promote a diverse workforce, in an equitable and inclusive environment, and to identify and remove barriers to equal employment opportunities, consistent with merit system principles, EEOC, and applicable laws. In accordance with the guidance and in support of Executive Orders 13985 and 14035, the USITC realigned its efforts, and reinstated the staff-led voluntary Diversity, Equity, and Inclusion (DEI) Council. Additionally, in March 2021, the agency held a "Diversity Week" themed "Pledge to Action" which included internal and external speakers as well as training programs and activities to promote DEI.

The agency evaluates its EEO program on an annual basis, as required by the EEOC's Management Directive 715. As a result, USITC developed action plans to address areas in need of improvement, including capturing and analyzing relevant job applicant flow data. The agency will analyze workforce demographic data, including salary levels; the distribution of awards; and the approval of training and career development opportunities, by race, ethnicity, gender, age,

and disability status. Further, USITC will conduct reviews and analysis of hiring practices for people with disabilities and, if necessary, update employment information and recruitment materials to be more accessible as a way of advancing employment opportunities to those individuals. The agency will also perform an analysis of career advancement opportunities for employee groups with lower representation at the senior management level.

USITC realizes the importance of having EEO and human resources policies in place to establish standards and to promote consistency throughout the agency. USITC has established internal rules and procedures for all offices to maintain consistency in all aspects of the agency's functions.

### ***Conclusion***

USITC's successes spelled out in this report are due to the strong and clear policy statements on workplace discrimination, harassment, and the No FEAR Act issued by the Chair.

Nonetheless, there are still opportunities for advancement which USITC will continue to capture and report on as part of its commitment to abide by and support merit systems principles, and to provide protection from prohibited personnel practices for all employees under the law. USITC will continue to develop and implement improvements in the recruitment, hiring, retention, and development of under-represented groups in the workforce, such as minorities and people with disabilities.
