BACKGROUND

On July 29, 2009, a petition was filed with the Commission and Commerce by Resco Products Inc., Pittsburgh, PA, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of certain magnesia carbon bricks from China and LTFV imports of certain magnesia carbon bricks from China and Mexico. Accordingly, effective July 29, 2009,

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR § 207.2(f)).

² Commissioner Charlotte R. Lane, Commissioner Irving A. Williamson, and Commissioner Dean A. Pinkert determine that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of certain magnesia carbon bricks from China and Mexico.

³ Chairman Shara L. Aranoff, Vice Chairman Daniel R. Pearson, and Commissioner Deanna Tanner Okun determine that there is a reasonable indication that an industry in the United States is threatened with material injury by reason of imports of certain magnesia carbon bricks from China and determine that there is no reasonable indication that an industry in the United States is materially injured or threatened with material injury, or that the establishment of an industry in the United States is materially retarded, by reason of imports from Mexico of certain magnesia carbon bricks.

the Commission instituted countervailing duty investigation No. 701-TA-468 (Preliminary) and antidumping duty investigation Nos. 731-TA-1166-1167 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the *Federal Register* of August 10, 2009 (74 FR 39969). The conference was held in Washington, DC, on August 19, 2009, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on September 14, 2009. The views of the Commission are contained in USITC Publication 4100 (September 2009), entitled *Certain Magnesia Carbon Bricks from China and Mexico: Investigation Nos. 701-TA-468 and 731-TA-1166-1167 (Preliminary)*.
