SUPPLEMENTARY INFORMATION:

Background.--The final phase of this investigation is being scheduled as a result of an affirmative preliminary determination by the Department of Commerce that imports of frontseating service valves from China are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. § 1673b). The investigation was requested in a petition filed on March 19, 2008, by Parker-Hannifin Corporation, Cleveland, OH.
