Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: This investigation was instituted on May 21, 2010, based upon a complaint filed on behalf of Georgia-Pacific Consumer Products LP of Atlanta, Georgia ("Georgia-Pacific") on April 19, 2010, and supplemented on May 10, 2010. *75 Fed. Reg.* 28652 (May 21, 2010). The complaint alleged violations of Section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain electronic paper towel dispensing devices and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 6,871,815 ("the '815 patent"); 7,017,856 ("the '856 patent"); 7,182,289 ("the '289 patent"); and 7,387,274 ("the '274 patent"). The complainant named as respondents Kruger Products LP of Mississauga, Canada; KTG USA LP of Memphis, Tennessee ("KTG USA"); StefcO Industries, Inc. of Haines City, Florida ("Stefco"); Cellynne Corporation of Haines City, Florida ("Cellynne"); Draco Hygienic Products Inc. of Ontario, California; NetPak Electronic Plastic and Cosmetic, Inc., d/b/a/ Open for Business of Chicago, Illinois ("NetPak Chicago"); NetPak

Elektronik Plastik ve Kozmetik Sanayi, Ve Ticaret Ltd of Izmir, Turkey (“NetPak Turkey”); Paradigm Marketing Consortium, Inc. of Syosset, New York; United Sourcing Network Corp. of Syosset, New York; New Choice (H.K.) Ltd. of Shatin, Hong Kong; and Vida International Inc. of Taipei, Taiwan.

On August 16, 2010, the Commission issued notice of its determination not to review an ID amending the complaint and notice of investigation: (1) to correct the corporate name of NetPak Chicago; (2) to redefine “Kruger” to “Kruger Products and/or KTG USA”; (3) to indicate that Georgia-Pacific no longer alleges that NetPak Turkey is the source of Stefcos and Cellynne's accused product; (4) to add new respondents Jet Power International Limited; Winco Industries Co.; DWL Industries Co.; Ko-Am Corporation Inc. d/b/a Janitor's World; Natyry, S.A. De C.V.; Franklin Financial Management, Inc. d/b/a Update International; and Alliance in Manufacturing LLC.

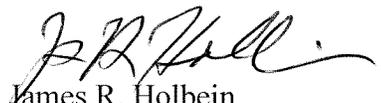

Two respondents, Stefcos and Cellynne, did not respond to the complaint and notice of investigation, and a third respondent, NetPak Turkey, did not participate in discovery. On October 12, 2010, the ALJ issued an order to show cause why Stefcos and Cellynne should not be found in default, and on November 2, 2010, issued an order to show cause why NetPak Turkey should not be found in default. On December 30, 2010, the ALJ issued an ID (Order No. 28) finding Stefcos, Cellynne, and NetPak Turkey in default. On January 16, 2011, the Commission determined not to review this order. The other respondents to the investigation were terminated by consent order.

On July 12, 2011, the ALJ issued an ID, Order No. 36, finding substantial, reliable, and probative evidence that the Stefcos, Cellynne, and Netpak Turkey violated section 337 based on the importation, sale for importation, and/or sale after importation into the United States of electronic paper towel dispensing devices that infringe the asserted patent claims. The ALJ issued a recommended determination with the ID. The ALJ recommended that the Commission issue a general exclusion order and cease and desist orders, finding that such orders would not be contrary to the public interest, and recommended that the bond for importation during the presidential review period be set at 100 percent of the entered value of the infringing products for respondents and no bond be set for nonrespondents. On August 19, 2011, the Commission issued notice of its determination not to review the ID, and solicited submissions on remedy, the public interest, and bonding. *76 Fed. Reg.* 53154 (Aug. 25, 2011). Georgia-Pacific and the Commission investigative attorney filed submissions and reply submissions with respect thereto.

After reviewing the relevant portions of the record, the Commission has determined to issue a general exclusion order with respect to claims 4-7 of the '815 patent, claims 8-22 of the '856 patent, claims 1-3 of the '289 patent, and claims 4-22 of the '274 patent, and cease and desist orders against Stefcos and Cellynne with respect to the same claims. In this connection, the Commission has determined to set a bond of 100 percent of entered value during the period of Presidential review. The investigation is terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

Investigation No. 337-TA-718

GENERAL EXCLUSION ORDER

The Commission has determined that there is a violation of Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the unlawful importation and sale of certain electronic paper towel dispensing devices and components thereof that infringe claims 4-7 of U.S. Patent No. 6,871,815 (the '815 patent"), claims 8-22 of U.S. Patent No. 7,017,856 (the '856 patent"), claims 1-3 of U.S. Patent No. 7,182,289 (the '289 patent"), and claims 4-22 of U.S. Patent No. 7,387,274 (the '274 patent").

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determinations on the issues of remedy, the public interest, and bonding. The Commission has determined that a general exclusion from entry for consumption is necessary, and accordingly, the Commission has determined to issue a general exclusion order prohibiting the unlicensed importation of infringing electronic paper towel dispensing devices and components thereof.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude the issuance of the general exclusion order, and that the bond during the Presidential review period shall be in the amount of 100 percent of the entered value of the articles in question.

Accordingly, the Commission hereby **ORDERS** that:

1. Electronic paper towel dispensing devices and components thereof covered by one or more of claims 4-7 of the '815 patent, claims 8-22 of the '856 patent, claims 1-3 of the '289 patent, and claims 4-22 of the '274 patent are excluded from entry into the United States for consumption, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, for the remaining terms of the patents, except under license of the patent owner or as provided by law.
2. Notwithstanding paragraph 1 of this Order, the aforesaid electronic paper towel dispensing devices and components thereof are entitled to entry into the United States for consumption, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption under bond in the amount of 100 percent of the entered value of the products, pursuant to subsection (j) of Section 337 (19 U.S.C. § 1337(j)) and the Presidential memorandum for the United States Trade Representative of July 21, 2005 (70 Fed. Reg. 43,251), from the day after this Order is received by the United States Trade Representative until such time as the United States Trade Representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty days after the date of receipt of this Order.
3. At the discretion of U.S. Customs and Border Protection ("CBP") and pursuant to procedures that it establishes, persons seeking to import electronic paper towel dispensing devices and components thereof that are potentially subject to this Order may be required to certify that they are familiar with the terms of this

Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to electronic paper towel dispensing devices and components thereof imported by and for the use of the United States, or imported for, and to be used for, the United States with the authorization or consent of the Government.
5. The Commission may modify this Order in accordance with the procedure described in section 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).
6. The Commission Secretary shall serve copies of this Order upon each party of record in this investigation and upon the Department of Health and Human Services, the Department of Justice, the Federal Trade Commission, and U.S. Customs and Border Protection.
7. Notice of this Order shall be published in the *Federal Register*.

By order of the Commission.
