See footnotes on the following pages.

1/ Beginning in 1962, the Long-Term Arrangement Regarding International Trade in Cotton Textiles encompassed 64 categories of textile imports of cotton. In the early 1970's, certain categories of textiles of wool and manmade fibers were added under U.S. bilateral agreements. In 1974, the MFA became effective under the auspices of the General Agreement on Tariffs and Trade.

2/ The countries listed in this table are those which currently have actual control levels on a specified category or categories under bilateral agreements. Countries which are parties to bilaterals with the United States providing only for consultations are not included, i.e., Czechoslovakia, Arab Republic of Egypt, Greece, Hungary, Jamaica, Malta, Nicaragua, Peru, Portugal, and Spain.

3/ Except in the case of the People's Republic of China, Taiwan, Costa Rica, and Mauritius, all categories listed are those currently covered by limitations and are under quotas established by bilateral agreements between participating countries and negotiated under the provisions of art. 4 of the MFA. There have been specific quotas established on individual categories of textiles under art. 3; however, there are currently no effective limitations under this MFA provision. Limitations of imports of certain categories from China, Taiwan, Costa Rica, and Mauritius, are incorporated in bilateral agreements negotiated under the authority of sec. 204 of the Agricultural Act of 1956.

4/ Categories 331, 334, 335, part of 338, 339, 340, and 341 have individual limits; categories 347/348, 445/446, and 645/646 have group limits.

5/ Summation of categories having specific limitations.

6/ Summation of either subgroups or categories having specific limitations and consultation levels. In addition, the Mexican agreement contains a provision on some categories (not included in the aggregate) for the United States to request consultations "with a view towards eliminating real risks of market disruption . . ."

7/ Category 649 (specific limit); consultative mechanism established for all other categories of cotton, wool, and manmade fibers.

8/ Categories 340, 351, 639, and 649.

9/ Categories 337, 349/649, 632, 635, and 637 with specific limitations and categories 331, 340, 347/348, 350, 359, 631, 636, 639, 641, 644, 648, 650, 651, and 652 with established consultation levels.

10/ Pursuant to the provisions of art. 12 of the MFA, handloom fabrics, handmade handloom made-up articles and "India items" are not subject to the bilateral agreement. However, the agreement provides for consultations on handloom apparel products, and the United States may request restraints on these items; the level of such restraints shall not be lower than the highest level of such imports in any previous year. These restraints are not, however, included under the aggregate or subgroup limits of the agreement.

11/ Categories 331, 339, 410, 612, and 614 (pt.) have agreed limits; all other categories have consultation provisions.

12/ Categories 604, 331, 333/334/335, 338/339, 340, 347/348, 638/639 and 445/446 (specific limits); consultative mechanism established for all other categories of cotton, wool and manmade-fibers.

13/ Categories 338, 339, 345, 438, 445, 446, 638, 639, 645, and 646 are subject to a group limit.

14/ Six months, beginning 10/1/81.

15/ 113,000 doz. (agreement does not specify equivalent sq. yds.)

Footnotes—Continued

16/ Summation of either subgroups or categories having specific limitations and consultation levels. The agreement on wool and manmade fibers also has a provision on some categories not included in the aggregate for the United States to request consultations with a view toward avoiding "market disruption."

17/ Categories 331, 334, 335, 340, 341, 348, 640, and 641. In addition, the agreement contains a provision for other categories of cotton, wool, and manmade fibers allowing the United States to request consultations if import levels are threatening to impede orderly trade between the two countries due to market disruption or threat thereof.

18/ Categories 443 and 643.
