Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: This patent-based section 337 investigation was instituted by the Commission based on a complaint filed by Topower Computer Industrial Co., Ltd. ("Topower") of Xindian City, Taiwan. 72 Fed. Reg. 2554 (January 19, 2007). Topower alleged violations of section 337 in the importation into the United States, the sale for

importation, and the sale within the United States after importation of certain coupler devices for power supply facilities, components thereof, and products containing same by reason of the infringement of one or more of claims 1-14 of U.S. Patent No. 6,935,902. The complaint named thirty respondents located in China, Germany, Taiwan, and the United States (California, North Carolina, and Minnesota). Topower originally requested a general exclusion order. The investigation was assigned to Administrative Law Judge (ALJ) Robert L. Barton, Jr., and subsequently reassigned to Judge Charles E. Bullock. Twenty-two respondents have been terminated from this investigation based on either a settlement agreement, consent order, or withdrawal of allegations.

On August 6, 2007, Topower filed a motion for an order directing respondents Aspire/Apevia International, Ltd. ("Aspire"), Xion/Axpertec, Inc. ("Xion"), JPAC Computer, Inc. ("JPAC"), Sunbeam Co. ("Sunbeam"), Super Flower Computer, Inc. ("Super Flower"), Taiwan Youngyear Electronics Co., Ltd. ("Taiwan Youngyear"), Sun Pro Electronics Co., Ltd. ("Sun Pro"), and Leadman Electronics Co., Ltd. ("Leadman") to show cause why they should not be found in default for failure to respond to the Complaint and Notice of Investigation and advised that it was no longer seeking a general exclusion order. On August 30, 2007, the ALJ issued an order to show cause by September 14, 2007, why the respondents should not be found in default pursuant to Commission Rule 210.16. Order No. 37. On September 25, 2007, the ALJ issued an initial determination finding the eight respondents in default. Order No. 39. The Commission published notice in the *Federal Register* of its decision not to review this determination, and requested briefing from interested parties on remedy, the public interest, and bonding. 72 *Fed. Reg.* 58883 (October 17, 2007).

The Commission investigative attorney (IA) submitted briefing on November 8, 2007. The IA proposed a limited exclusion order and cease and desist orders directed to infringing coupler devices, components thereof, and products containing same of the defaulted respondents. The IA recommended allowing entry under bond of 100 percent of entered value during the period of Presidential review. Topower agreed with the recommendations of the IA.

The Commission found that each of the statutory requirements of section 337(g)(1)(A)-(E), 19 U.S.C. § 1337(g)(1)(A)-(E), has been met with respect to the defaulting respondents. Accordingly, pursuant to section 337(g)(1), 19 U.S.C. § 1337(g)(1), and Commission rule 210.16(c), 19 CFR § 210.16(c), the Commission presumed the facts alleged in the complaint to be true.

The Commission determined that the appropriate form of relief in this investigation includes a limited exclusion order prohibiting the unlicensed entry of certain coupler devices for power supply facilities, components thereof, and products containing same by reason of infringement of one or more of claims 1-14 of U.S. Patent No. 6,935,902. The order covers certain coupler devices for power supply facilities, components thereof, and products containing same that are manufactured abroad by or on behalf of, or imported by or on behalf of respondents Aspire, Xion, JPAC, Sunbeam, Super Flower, Taiwan Youngyear, Sun Pro, and Leadman, or any of their affiliated companies, parents, subsidiaries, or other related business

entities, or their successors or assigns. The Commission also determined to issue cease and desist orders prohibiting domestic respondents Aspire, Xion, JPAC, Sunbeam, and Leadman from importing, selling, marketing, advertising, distributing, offering for sale, transferring (except for exportation), and soliciting U.S. agents or distributors for certain coupler devices for power supply facilities, components thereof, and products containing same covered by the above-mentioned claims of U.S. Patent No. 6,935,902. The Commission further determined that the public interest factors enumerated in section 337(g)(1), 19 U.S.C. § 1337(g)(1), do not preclude issuance of the limited exclusion order and cease and desist orders. Finally, the Commission determined that the bond under the limited exclusion order during the Presidential review period shall be in the amount of 100 percent of the entered value of the imported articles. The Commission's orders were delivered to the President and the United States Trade Representative on the day of their issuance.

The Commission has therefore terminated this investigation. The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and sections 210.16(c) and 210.41 of the Commission's Rules of Practice and Procedure (19 CFR § 210.16(c) and § 210.41).

By order of the Commission.

Inv. No. 337-TA-590

LIMITED EXCLUSION ORDER

The Commission has previously found Aspire/Apevia International Corp., Ltd.; Xion/Axpertec, Inc.; JPAC Computer, Inc.; Sunbeam Co.; Super Flower Computer, Inc.; Taiwan Youngyear Electronics Co., Ltd.; Sun Pro Electronics Co., Ltd.; and Leadman Electronic Co., Ltd. in default for failing to respond to the Notice of Investigation and the Complaint that alleged a violation of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the unlawful importation and sale of certain coupler devices for power supply facilities, components thereof, and products containing same by reason of infringement of claims 1-14 of U.S. Patent No. 6,935,902 (“the ‘902 patent”).

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that the appropriate form of exclusionary relief as to the defaulting respondents is a limited exclusion order prohibiting the unlicensed entry of coupler devices for power supply facilities, components thereof, and products

containing same that are covered by one or more of claims 1-14 of the '902 patent, and that are manufactured abroad by or on behalf of, imported by or on behalf of, or sold after importation by or on behalf of Aspire/Apevia International Corp., Ltd.; Xion/Axpertec, Inc.; JPAC Computer, Inc.; Sunbeam Co.; Super Flower Computer, Inc.; Taiwan Youngyear Electronics Co., Ltd.; Sun Pro Electronics Co., Ltd.; or Leadman Electronic Co., Ltd.

The Commission has further determined that the public interest factors enumerated in 19 U.S.C. § 1337(g)(1) do not preclude issuance of the limited exclusion order, and that the bond during the Presidential review period shall be in the amount of 100% of entered value of the coupler devices for power supply facilities and components thereof that are subject to this Order.

Accordingly, the Commission hereby **ORDERS** that:

1. Coupler devices for power supply facilities, components thereof, and products containing same that are covered by one or more of claims 1-14 of the '902 patent that are manufactured abroad by or on behalf of, imported by or on behalf of, or sold after importation by or on behalf of Aspire/Apevia International Corp., Ltd.; Xion/Axpertec, Inc.; JPAC Computer, Inc.; Sunbeam Co.; Super Flower Computer, Inc.; Taiwan Youngyear Electronics Co., Ltd.; Sun Pro Electronics Co., Ltd.; or Leadman Electronic Co., Ltd., or any of their affiliated companies, parents, subsidiaries, or other related business entities, or any of their successors or assigns, shall be excluded from entry for consumption into the

United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the patent, except under license of the patent owner or as provided by law.

2. Coupler devices for power supply facilities, components thereof, and products containing same that are excluded by paragraph 1 of this Order are entitled to entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of 100% of entered value pursuant to subsection (j) of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337(j), and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (*70 Fed. Reg.* 43251), from the day after this Order is received by the United States Trade Representative until such time as the United States Trade Representative notifies the Commission that this action is approved or disapproved but, in any event, not later than 60 days after the date of receipt of this action.

3. At the discretion of U.S. Customs and Border Protection ("CBP") and pursuant to procedures it establishes, persons seeking to import coupler devices for power supply facilities, components thereof, and products containing same that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products

being imported are not excluded from entry under paragraphs 1 through 7 of this Order. At its discretion, Customs may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to coupler devices for power supply facilities, components thereof, and products containing same that are imported by and for the use of the United States, or imported for, and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in section 210.76 of the Commission's Rules of Practice and Procedure, 19 C.F.R. § 210.76.

6. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon the Department of Health and Human Services, the Department of Justice, the Federal Trade Commission, and the U.S. Bureau of Customs and Border Protection.

7. Notice of this Order shall be published in the *Federal Register*.

The eight respondents found in default are the last remaining respondents in this investigation. Accordingly, the Commission requests written submission, according to the schedule set forth below, on remedy, public interest, and bonding with respect to the respondents in default.

FOR FURTHER INFORMATION CONTACT: Paul M. Bartkowski, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 708-5432. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: This investigation was instituted on January 19, 2007 based on a complaint filed by Topower Computer Industrial Co., Ltd. ("Topower"). The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the

importation into the United States, the sale for importation, and the sale within the United States after importation of certain coupler devices for power supply facilities, components thereof, and products containing the same by reason of infringement of U.S. Patent No. 6,935,902.

On August 6, 2007, Topower filed a motion requesting an order directing respondents Aspire/Apevia International Corp., Ltd.; Xion/Axpertec, Inc.; JPAC Computer, Inc., Sunbeam Co.; Super Flower Computer, Inc.; Taiwan Youngyear Electronics Co., Ltd.; Sun Pro Electronics Co., Ltd.; and Leadman Electronic Co., Ltd. (collectively, the “eight respondents”) to show cause why they should not be found in default for failure to respond to the complaint and Notice of Investigation. On August 30, 2007, the ALJ issued Order No. 37, which ordered the eight respondents to show cause why they should not be found in default by September 14, 2007. No responses to Order No. 37 were filed.

On September 25, 2007, the ALJ issued the subject ID, granting Topower’s motion because none of the eight respondents responded to Order No. 37. No petitions for review were filed. The Commission has determined not to review the subject ID.

The eight respondents were the last remaining respondents in this investigation. The investigation has been terminated with respect to all other respondents based on settlement agreement, consent order, default, or withdrawal of allegations.

Section 337(g)(1) and Commission Rule 210.16(c) authorize the Commission to order relief against a respondent found in default unless, after consideration of the public-interest factors, it finds that such relief should not issue. Topower has declared, pursuant to Commission Rule 210.16(c)(2), that it does not seek a general exclusion order.

In conjunction with the final disposition of this investigation, therefore, the Commission may: (1) issue an order that could result in the exclusion of articles manufactured or imported by any or all of the defaulting respondents; and/or (2) issue one or more cease and desist orders that could result in any or all of the defaulting respondents being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, *see In the Matter of Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843 (December 1994) (Commission Opinion).

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist orders would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers.

The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

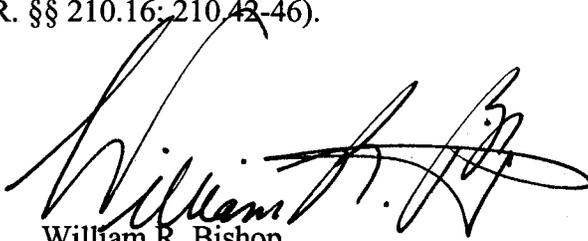

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve or disapprove the Commission's action. *See* Presidential Memorandum of July 21, 2005, 70 *Fed. Reg.* 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

WRITTEN SUBMISSIONS: The parties to the investigation, interested government agencies, and any other interested parties, are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Complainants and the Commission investigative attorney are also requested to submit proposed remedial orders for the Commission's consideration. Complainants are further requested to state the dates that the patents expire and the HTSUS numbers under which the accused products are imported. The written submissions and proposed remedial orders must be filed no later than close of business on November 8, 2007. Reply submissions must be filed no later than the close of business on November 19, 2007. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document and 12 true copies thereof with the Office of the Secretary on or before the aforementioned deadlines. Any person desiring to submit a document to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons why the Commission should grant such treatment. *See* 19 C.F.R. § 210.6. Documents for which confidential treatment by the Commission is sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.16 and 210.42-46 of the Commission's Rules of Practice and Procedure (19 C.F.R. §§ 210.16; 210.42-46).

By order of the Commission.

Inv. No. 337-TA-590

**ORDER NO. 39: INITIAL DETERMINATION FINDING EIGHT RESPONDENTS IN
DEFAULT AND TERMINATING THE INVESTIGATION**

(September 25, 2007)

On August 6, 2007, Complainant Topower Computer Industrial Co., Ltd. ("Topower") filed a motion (590-032) for an order directing Respondents Aspire/Apevia International Corp., Ltd., Xion/Axpertec, Inc., JPAC Computer, Inc., Sunbeam Co., Super Flower Computer, Inc., Taiwan Youngyear Electronics Co., Ltd., Sun Pro Electronics Co., Ltd. and Leadman Electronic Co., Ltd. to show cause why they should not be found in default for failure to respond to the Complaint and Notice of Investigation and advised that it was formally limiting the relief it requested to no longer seek a general exclusion order. Topower's motion also requested the issuance of an initial determination finding the Respondents in default if they fail to show cause why they should not be found in default.¹ Order No. 37, issued on August 30, 2007, ordered these respondents to show, by the close of business on September 14, 2007, why they should not be found in default for failure to

¹ All of the other named respondents to this investigation have either been terminated based on settlement agreement, consent order, default, or withdrawal of allegations. Therefore, Topower's motion involves an entry of default with respect to the last remaining respondents in this investigation. Pursuant to Commission Rule 210.16(c)(2), Topower has declared that it does not seek a general exclusion order.

respond to the Complaint and Notice of Investigation pursuant to Rule 210.16 of the Commission's Rules of Practice and Procedure, 19 C.F.R. § 210.16. No responses to Order No. 37 have been filed.

Commission Rule 210.16 provides in pertinent part, as follows:

A party shall be found in default if it fails to respond to the complaint and notice of investigation in the manner prescribed in §210.13 or § 210.59(c), or otherwise fails to answer the complaint and notice, and fails to show cause why it should not be found in default.²

The Commission's Rules further provide that “[a] party found in default shall be deemed to have waived its right to appear, to be served with documents, and to contest the allegations at issue in the investigation.”³

Accordingly, it is the INITIAL DETERMINATION of the Administrative Law Judge that Respondents Aspire/Apevia International Corp., Ltd., Xion/Axpertec, Inc., JPAC Computer, Inc., Sunbeam Co., Super Flower Computer, Inc., Taiwan Youngyear Electronics Co., Ltd., Sun Pro Electronics Co., Ltd. and Leadman Electronic Co., Ltd. be found to be in default. Consequently, these Respondents have waived their right to appear, to be served with documents, and to contest the allegations at issue in the investigation.

² 19 C.F.R. § 210.16(a)(1).

³ 19 C.F.R. § 210.16(b)(3).

Pursuant to 19 C.F.R. § 210.42(h), this initial determination shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to 19 C.F.R. § 210.43(a), or the Commission, pursuant to 19 C.F.R. § 210.44, orders on its own motion a review of the initial determination or certain issues contained herein.

SO ORDERED.
