**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 49) granting a joint motion to terminate the above-captioned investigation as to one Respondent.

**SUPPLEMENTARY INFORMATION:** On August 29, 2006, the Commission instituted this investigation, based on a complaint filed by Caterpillar Inc. ("Caterpillar") of Peoria, Illinois. The complaint alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain hydraulic excavators and components thereof by reason of infringement of U.S. Trademark Registration No. 2,140,606, U.S. Trademark Registration No. 2,421,077, U.S. Trademark Registration No. 2,140,605, and U.S. Trademark Registration No. 2,448,848. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complaint named twenty (20) firms as respondents. The complainant requested that the Commission issue a general exclusion order and cease and desist orders. Two respondents, Barkley Industries LLC and Frontera Equipment Sales, have been found in default. Thirteen respondents have been terminated as a result of settlement agreements.

On July 16, 2007, Caterpillar and respondent Key Equipment LLC ("Key Equipment") filed a joint motion seeking termination of this investigation based upon a settlement agreement.

On August 13, 2007, the ALJ issued an ID, Order No. 49, terminating the investigation as to Key Equipment on the basis of a settlement agreement. The ALJ found no indication that termination of the investigation on the basis of the settlement agreement would adversely affect the public interest, and that the procedural requirements for terminating the investigation had been met. No petitions for review were filed. The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
