**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 20) granting the motion of complainant Tillotson Corporation d.b.a. Best Manufacturing Company ("Tillotson") to terminate the investigation with respect to respondent Magla Products LLC ("Magla Products") based on a settlement agreement.

**SUPPLEMENTARY INFORMATION:** The Commission instituted Investigation No. 337-TA-608 on July 6, 2007, based on a complaint filed by Tillotson. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain nitrile gloves by reason of infringement of various claims in United States Patent No. Re. 35,616. The complaint names Magla Products, along with thirty others, as respondents. On September 19, 2007, the ALJ consolidated Investigation No. 337-TA-608 with Investigation No. 337-TA-612.

On September 4, 2007, Tillotson filed a motion pursuant to Commission rule 210.21(b), 19 C.F.R. § 210.21(b), to terminate Magla Products from the investigation on the basis of a settlement agreement. The Commission investigative attorney supported the motion.

On September 19, 2007, the ALJ issued the subject ID granting the motion to terminate the investigation with regard to Magla Products. The ALJ found that the motion complied with the requirements of Commission Rule 210.21 (19 C.F.R. § 210.21). The ALJ also concluded that, pursuant to Commission Rule 210.50(b)(2) (19 C.F.R. § 210.50(b)(2)), there is no evidence that termination of this investigation will prejudice the public interest. Accordingly, the ALJ terminated the investigation with respect to Magla Products. No petitions for review of this ID were filed.

Having examined the record of this investigation, the Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
