SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 17, 2016, based on a complaint filed on behalf of Daimler AG of Stuttgart, Germany. 81 FR 39711-12. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of numerous U.S. design patents and U.S. registered

trademarks. The complaint further alleges that a domestic industry exists. The Commission's notice of investigation named several respondents including Trade Union and Onyx. The Office of Unfair Import Investigations ("OUII") is also a party to the investigation. *Id.*

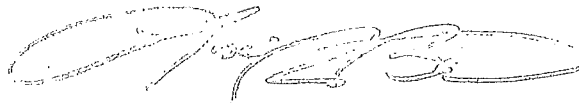

On November 15, 2016, the complainant and Trade Union jointly moved to terminate the investigation as to Trade Union based on a consent order stipulation, proposed consent order, and settlement agreement. On November 21, 2016, the complainant and Onyx jointly moved to terminate the investigation as to Onyx based on a consent order stipulation, proposed consent order, and settlement agreement. For each joint motion, the parties state that there are no other agreements, written or oral, express or implied between the parties concerning the subject matter of the investigation. OUII filed a response supporting each motion and no party opposed.

The ALJ issued the subject IDs on December 1, 2016, granting each joint motion for termination. He found that each joint motion satisfied Commission Rule 210.21(c) (19 CFR 210.21(c)). The ALJ also found that each joint motion satisfied the requirements of Commission Rule 210.21(b) (19 CFR 210.21(b)), which governs motions to terminate an investigation on the basis of a licensing or other settlement agreement. He further found, pursuant to Commission rule 210.50(b)(2) (19 CFR 210.50(b)(2)), that termination of this investigation as to Trade Union, and as to Onyx, by consent order is not contrary to the public interest. No party petitioned for review of either ID.

The Commission has determined not to review the IDs and has issued the consent orders.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in part 210 of the Commission's Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.

Lisa R. Barton
Secretary to the Commission
