AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review initial determinations (“IDs”) (Order Nos. 6, 7) of the presiding administrative law judge (“ALJ”): (1) finding respondents Arthur Sifuentes of Spring, Texas; Liu Mengbao and Zhou Yang, both of Guangdong, China; Jianfeng Mao of Jiangsu, China; and Sandum Precision Industry (China) Co., Ltd. (In-Sail) (“Sandum Precision”) of Guangdong Province, China in default; and (2) terminating the investigation as to respondents Wei Ran, Dongguan Hongsong, and Wanyuxue, all of Guangdong, China; and Yandong of Henan, China.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on January 6, 2017, based on a complaint filed on behalf of Flying Arrow Archery, LLC of Belgrade, Montana. 82 FR 1760-61. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of certain claims of U.S. Patent Nos. 8,920,269; D713,919; and D729,336. The complaint further alleges that a domestic industry exists. The Commission's notice of investigation named the following respondents: Arthur Sifuentes; Liu Mengbao; Zhou Yang; Jianfeng Mao; Sandum Precision; Wei Ran; Dongguan

Hongsong; Wanyuxue; and Yandong. The Office of Unfair Import Investigations (“OUII”) is also a party to the investigation. The complaint and notice of investigation were served on Arthur Sifuentes, Zhou Yang, Jianfeng Mao, and Sandum Precision. Liu Mengbao has refused service of these documents. *See* Order No. 5 at 2. These respondents failed to respond to the complaint and notice of investigation.

On February 17, 2017, complainants filed a motion, pursuant to 19 CFR 210.16 and 19 CFR 210.21(a), for the following: (1) an order directing the respondents who failed to respond to show cause why they should not be found in default for failure to respond to the complaint and notice of investigation as required by 19 CFR 210.13; (2) the issuance of an ID finding these five respondents in default upon their failure to show cause; and (3) termination of the investigation as to the remaining respondents based on withdrawal of the complaint as to these respondents. Only OUII responded to the motion.

On March 6, 2017, the ALJ issued Order No. 5 which required the non-responding respondents to show cause no later than March 31, 2017, as to why they should not be held in default and have judgment rendered against them pursuant to 19 CFR part 210.16. No responses were received from these respondents.

The ALJ issued an ID (Order No. 6) on April 4, 2017, finding the non-responding respondents in default, pursuant to 19 CFR 210.16, because they did not respond to the complaint and notice of investigation and Order No. 5. The ALJ issued another ID (Order No. 7) on April 6, 2017, granting-in-part the motion as to termination of the remaining respondents. The ALJ found that the requirements of Commission Rule 210.21(a) were met, and that that no extraordinary circumstances exist that would prevent granting the motion for termination. No party petitioned for review of either ID.

The Commission has determined not to review the subject IDs. Accordingly, Arthur Sifuentes, Liu Mengbao, Jianfeng Mao, Sandum Precision, and Zhou Yang have been found in default and the investigation has been terminated as to Wei Ran, Dongguan Hongsong, Wanyuxue, and Yandong based on withdrawal of the complaint. Complainant has indicated that it will seek a general exclusion order.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission’s Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.

Secretary to the Commission
