NOTICE OF REQUEST FOR SUBMISSIONS ON THE PUBLIC INTEREST

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the presiding administrative law judge (“ALJ”) has issued a recommended determination on remedy and bonding should a violation be found in the above-captioned investigation. The Commission is soliciting submissions on public interest issues raised by the recommended limited exclusion order against certain semiconductor devices and consumer audiovisual products containing the same manufactured and imported by respondents Sigma Designs, Inc. of Fremont, California (“Sigma”), and Vizio, Inc. of Irvine, California (“Vizio”), and the recommended cease-and-desist order against Vizio. This notice is soliciting comments from the public only. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. 1337(d)(1). A similar provision applies to cease-and-desist orders. 19 U.S.C. 1337(f)(1).

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's recommended determination on remedy and bonding issued in this investigation on May 23, 2018. Comments should address whether issuance of the recommended limited exclusion order and cease-and-desist order in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended limited exclusion orders and cease and desist orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended limited exclusion orders and cease and desist orders;
- (iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended limited exclusion orders and cease and desist orders within a commercially reasonable time; and
- (v) explain how the recommended limited exclusion orders and cease and desist orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on June 18, 2018.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). Submissions should refer to the investigation number (“Inv. No. 1047”) in a prominent place on the cover page and/or the first page.
