SUPPLEMENTARY INFORMATION: On April 16, 2020, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by complainant EMD Serono, Inc. of Rockland, Massachusetts (“Complainant”). *See* 85 FR 21267-68 (Apr. 16, 2020). The complaint, as amended and supplemented, alleges a violation of section 337 based on the importation into the United States, the sale for importation, and the sale within the United States after importation of certain *in vitro* fertilization products, components thereof, and products containing same (collectively, “Gray Market IVF Products”), by reason of: (1) infringement of U.S. Trademark Registration Nos. 4,689,651; 1,772,761; 3,777,170; 3,389,332; 3,816,320; 1,972,079; 3,604,207; and 3,185,427; (2) unfair methods of competition and unfair acts in the importation and sale of Gray Market IVF Products by reason of false designation of source; and (3) unfair methods of competition and unfair acts in the importation and sale of the Gray Market IVF Products by reason of false advertising. *See id.* The notice of investigation names Fast IVF of Scottsdale, Arizona and Hermes Ezcanesi of Istanbul, Turkey (collectively, the “Defaulting Respondents”) as respondents in this investigation. *See id.* In addition, the notice of investigation also names General Plastik Drug Stores of Istanbul Suadiye, Turkey (“Unserved Respondent”) as a

respondent. *See id.* The Office of Unfair Import Investigations (“OUII”) is also a party to the investigation. *See id.*

On September 24, 2020, the Commission found each of the Defaulting Respondents in default. *See* Order No. 6 (Sept. 1, 2020), *unreviewed by* Comm’n Notice (Sept. 24, 2020). On October 26, 2020, the Commission terminated the Unserved Respondent from the investigation based on the withdrawal of the complaint allegations as to that respondent. *See* Order No. 8 (Oct. 13, 2020), *unreviewed by* Comm’n Notice (Oct. 26, 2020).

On December 2, 2020, Complainant filed a motion for summary determination of a violation of section 337 by the Defaulting Respondents. On December 22, 2020, OUII filed a response to Complainant’s motion. No other responses were filed.

On April 16, 2021, the Chief ALJ issued the subject ID (Order No. 10), pursuant to Commission Rule 210.18 (19 CFR 210.18), granting in part Complainant’s motion for summary determination of violation of section 337 by the Defaulting Respondents. Specifically, the Chief ALJ granted the motion with respect to Complainant’s trademark infringement claim under section 337(a)(1)(C) but denied the motion with respect to Complainant’s unfair competition claims under section 337(a)(1)(A). Order No. 10, insofar as it denies summary determination, is not part of the subject ID and was not subject to Commission review. In addition, the Chief ALJ recommended that the Commission issue a general exclusion order and set a bond at 100 percent during the period of Presidential review. No petition for review of the subject ID was filed.

On May 18, 2021, the Commission determined to review the subject ID in part. Specifically, the Commission determined to review the ID’s findings with respect to the economic prong of the domestic industry requirement. The Commission also requested briefing on the issue under review.

On June 1, 2021, Complainant and OUII filed submissions in response to the Commission’s May 18, 2021 Notice. On June 8, 2021, OUII filed a response to Complainant’s submission. No other responses were filed.

The Commission has determined to extend the target date for completion of the investigation until September 28, 2021.

The Commission’s vote for this determination took place on September 20, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
