NOTICE OF INSTITUTION OF INVESTIGATION

Institution of Investigation Pursuant to 19 U.S.C. 1337

AGENCY: U.S. International Trade Commission

ACTION: Notice

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on March 1, 2022, under section 337 of the Tariff Act of 1930, as amended, on behalf of Australian Mud Company Pty Ltd. of Australia and Reflex USA LLC of Chandler, Arizona. A supplement was filed on March 9, 2022. The complaint, as supplemented, alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain core orientation systems, products containing core orientation systems, components thereof, and methods of using the same by reason of infringement of certain claims of U.S. Patent No. 7,584,055 (“the ’055 patent”). The complaint further alleges that an industry in the United States exists or is in the process of being established as required by the applicable Federal Statute.

The complainants request that the Commission institute an investigation and, after the investigation, issue a limited exclusion order and a cease and desist order.
