NOTICE OF INVESTIGATION

AGENCY: U.S. International Trade Commission

ACTION: Institution of investigation pursuant to 19 U.S.C. § 1337

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on September 28, 2005 under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, on behalf of SAS PRAXIM of La Tronche, France and Varian Medical Systems, Inc. of Palo Alto, California. A supplement to the complaint was filed on October 19, 2005. On October 25, 2005, the Commission granted complainants' request for a postponement of the Commission's determination whether to institute an investigation in order for complainant to provide further supplementation. An additional supplement was filed on November 9, 2005. The complaint, as supplemented, alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain devices for determining organ positions and certain subassemblies thereof by reason of infringement of claims 1, 2, 5, and 10 of U.S. Patent No. 5,447,154. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337.

The complainants request that the Commission institute an investigation and, after the investigation, issue a permanent limited exclusion order and a permanent cease and desist order.

ADDRESSES: The complaint and supplements, except for any confidential information contained therein, are available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Room 112, Washington, D.C. 20436, telephone 202-205-2000.
