matter can be obtained by contacting the Commission’s TDD terminal on (202) 205-1810.

SUPPLEMENARY INFORMATION:  The Commission instituted this investigation on
January 25, 2008, based on a complaint filed by Samsung Electronics Co., Ltd. (“Samsung”) of
Korea.  73 Fed. Reg. 4626-27.  The complaint, as supplemented, alleges violations of section 337
States, the sale for importation, and the sale within the United States after importation of certain
liquid crystal display (“LCD”) devices and products containing the same by reason of
infringement of certain claims of U.S. Patent Nos. 7,193,666; 6,771,344 (“the ‘344 patent”);
7,295,196; and 6,937,311 (“the ‘311 patent”).  The complaint further alleges the existence of a
domestic industry as to each asserted patent.  The Commission’s notice of investigation named
the following respondents: Sharp Corporation of Japan; Sharp Electronics Corporation of
Mahwah, New Jersey; and Sharp Electronics Manufacturing, Company of America, Inc. of San Diego, California.

On January 26, 2009, the ALJ issued his final initial determination ("ID") finding a violation of section 337 by respondents as to the ‘311 and ‘344 patents only, and issued his recommended determinations on remedy and bonding. On February 9, 2009, Sharp and the Commission investigative attorney ("IA") filed petitions for review of the final ID. The IA and Samsung filed responses to the petitions on February 17, 2009.

On March 30, 2009, the Commission determined to review the ID and requested submissions regarding the issues under review as well as remedy, the public interest and bonding. On June 24, 2009, the Commission determined that there is a violation of section 337 of the Tariff Act of 1930, as amended, and issued a limited exclusion order directed to all respondents and cease and desist orders directed to the respondents located in the U.S..

Having reviewed the parties’ submissions, the Commission has determined that Sharp’s petition satisfies the requirement of Commission Rule 210.76(a)(1), 19 C.F.R. § 210.76(a)(1), for modifying the remedial orders. Accordingly, the Commission has issued orders modifying the remedial orders previously issued in this investigation.

This action is taken under the authority of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) and section 210.76(a)(1) of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.76(a)(1)).

By order of the Commission.
