SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on August 27, 2009, based on a complaint filed by BTG International, Inc. of West Conshohocken, Pennsylvania ("BTG"). 74 *Fed. Reg.* 43723-4 (August 27, 2009). The complaint, as amended and supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain power supplies by reason of infringement of certain claims of U.S. Patent Nos. 5,394,362; 5,764,571; 5,872,735; 6,104,640; and 6,118,692. The complaint further alleges the existence of a domestic industry. The Commission's notice of

investigation named various respondents.

On November 29, 2010, the parties filed a joint motion to extend the initial determination due date (previously November 29, 2010) and the target date (previously March 30, 2011) by twenty-one (21) calendar days, each, to allow the parties additional time to finalize and file a joint motion to terminate the investigation based on a settlement agreement. The parties indicated that the Commission investigative staff did not oppose the motion.

On November 29, 2010, the ALJ issued the subject ID, granting the joint motion to extend the initial determination due date and the target date by twenty-one (21) calendar days, each, to December 20, 2010, and April 20, 2011, respectively. No petitions for review of this ID were filed.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
