The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain bulk welding wire containers and components thereof and welding wire by reason of infringement of certain claims of United
On November 19, 2009, complainants Lincoln and respondent Hyundai jointly moved to terminate the investigation as to Hyundai based upon a confidential settlement agreement. Respondents ACWC, The ESAB Group, Kiswel, and Sidergas (“Non-Settling Respondents”) filed a response stating that they cannot take a position on the motion until they are provided an unredacted copy of the confidential settlement agreement between Lincoln and Hyundai. The Commission investigative attorney supported Lincoln and Hyundai’s joint motion and did not support the Non-Settling Respondents’ request.

On December 1, 2009, the ALJ issued an ID (Order No. 18) granting the joint motion and denying the Non-Settling Respondents’ request. No petitions for review were filed. The Commission has determined not to review the ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42(h) of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.42(h)).
