The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain portable electronic devices and related software by reason of infringement of various claims of United States Patent Nos. 6,999,800; 5,541,988; 6,058,183; 6,320,957; and 7,716,505. On August 3, 2010, the ALJ issued the subject ID (Order No. 4) extending the target date for completion of the investigation by three months, from October 17, 2011 to January 17, 2012. The ALJ extended the target date in order to accommodate a *Markman* hearing. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.
