The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain static random access memories and products containing the same by reason of infringement of various claims of United States Patent Nos. 6,534,805; 6,651,134; 7,142,477; and 6,262,937. The notice of investigation named several respondents.

On July 12, 2012, the ALJ issued the subject ID (Order No. 49) extending the target date for completion of the investigation by approximately three months, from November 28, 2012 to February 25, 2013, and concomitantly moving the due date for issuance of the final ID from July 28, 2012 to October 25, 2012. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).
