ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has
determined not to review an initial determination (“ID”) (Order No. 16) of the presiding
administrative law judge (“ALJ”) terminating the above-captioned investigation as to Circus
World Displays Ltd. (“CWD”) of Niagara Falls, Canada based on a settlement agreement.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on
September 27, 2011, based on a complaint filed by Technical Properties Limited, LLC (“TPL”)
of Cupertino, California. 76 Fed. Reg. 59737-38. The complaint alleges a violation of section
States, the sale for importation, and the sale within the United States after importation of certain
digital photo frames and image display devices and components thereof by reason of
infringement of certain claims of U.S. Patent Nos. 6,976,623; 7,162,549; 7,295,443; and
7,522,424. The complaint further alleges the existence of a domestic industry. The Commission’s notice of investigation named twenty respondents including CWD.

On November 21, 2011, TPL and CWD moved to terminate the investigation as to CWD on the basis of a settlement agreement. The Commission investigative attorney filed a response in support of the joint motion and no party opposed the motion.

The ALJ issued the subject ID on December 6, 2011, granting the joint motion for termination. He found that the motion for termination satisfies Commission rules 210.21(a)(2), (b)(1). He further found, pursuant to Commission rule 210.50(b)(2), that termination of this investigation as to CWD by settlement agreement is in the public interest. No party petitioned for review of the ID. The Commission has determined not to review the ID.

By order of the Commission.
