**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on March 1, 2013, based on a complaint filed by Adaptix, Inc., of Carrollton, Texas. 78 Fed. Reg. 13895 (March 1, 2013). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain wireless communications base stations and components thereof by reason of infringement of U.S. Patent No. 6,870,808. The notice of investigation names Telefonaktiebolaget LM Ericsson, of Sweden, and Ericsson Inc., of Plano, Texas, as respondents.

The presiding administrative law judge (“ALJ”) originally set the target date for completion of the investigation to be June 2, 2014. On October 30, 2013, the ALJ issued an initial determination (Order No. 15) extending the target date by approximately eight weeks, until July

25, 2014. The ALJ stated that the extension was necessary due to the transfer of the investigation from another ALJ, in combination with the 16 day closure of the Commission. No petitions for review of the ID were filed.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 C.F.R. Part 210).
