NOTICE OF COMMISSION DETERMINATION TO REVIEW AN INITIAL DETERMINATION TERMINATING THE INVESTIGATION BASED ON COMPLAINANT'S LACK OF STANDING AND ON REVIEW TO MODIFY-IN-PART, VACATE-IN-PART, AND REMAND THE INVESTIGATION IN PART TO THE PRESIDING ADMINISTRATIVE LAW JUDGE FOR FURTHER PROCEEDINGS

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to review the presiding administrative law judge’s (“ALJ”) initial determination (“ID”) (Order No. 113) granting respondents’ motion to terminate the above-referenced investigation based on the lack of standing of complainant Optical Devices, LLC of Peterborough, New Hampshire (“Optical”). The Commission modifies-in-part and vacates-in-part the subject ID and remands the investigation to the presiding ALJ for further proceedings consistent with its concurrently issued opinion and remand order.

importation, and the sale within the United States after importation of certain optical disc drives, components thereof, and products containing the same by reason of infringement of certain claims of U.S. Patent Nos. 6,904,007 (“the ’007 patent’’); 7,196,979 (“the ’979 patent’’); 8,416,651 (“the ’651 patent’’); RE40,927 (“the ’927 patent’’); RE42,913 (“the ’913 patent’’); and RE43,681 the (“681 patent’’). The Complaint further alleges the existence of a domestic industry. The Commission’s Notice of Investigation named as respondents Lenovo Group Ltd. of Quarry Bay, Hong Kong and Lenovo (United States) Inc., of Morrisville, North Carolina; LG Electronics, Inc. of Seoul, Republic of Korea and LG Electronics U.S.A., Inc. of Englewood Cliffs, New Jersey; Panasonic Corp. of Osaka, Japan and Panasonic Corporation of North America of Secaucus, New Jersey; Samsung Electronics Co., Ltd. of Seoul, Republic of Korea and Samsung Electronics America, Inc. of Ridgefield Park, New Jersey (collectively “Samsung”); and Toshiba Corporation of Tokyo, Japan and Toshiba America Information Systems, Inc. of Irvine, California (collectively “Respondents”). The Office of Unfair Import Investigations was not named as a party to the investigation.

The Commission later terminated the investigation as to the application of numerous claims of the asserted patents to various named respondents. See Notice of Commission Determination Not to Review an Initial Determination Granting Complainant’s Motions to Partially Terminate the Investigation as to Certain Patents (Aug. 8, 2014). The Commission also later terminated the investigation with respect to Samsung based on a settlement agreement. See Notice of Commission Determination to Grant a Joint Motion to Terminate the Investigation as to Respondents [Samsung] on the Basis of a Settlement Agreement (Sept. 2, 2014).

On May 6, 2014, Respondents, including Samsung, filed a motion to terminate the investigation for good cause based on Optical Devices’ lack of prudential standing to bring an infringement action with respect to the asserted patents. On May 16, 2014, Optical Devices filed a response in opposition. On June 3, 2014, Respondents, pursuant to Order No. 83, filed a reply in support of their motion. On June 10, 2014, Optical Devices filed a motion for leave to file a surreply in opposition to Respondent’s reply. On June 11, 2014, Respondents filed an opposition to Optical Devices’ motion for leave to file a surreply.

On October 20, 2014, the ALJ issued the subject ID, granting pursuant to section 210.21(a) of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.21(a)) Respondents’ motion to terminate the investigation based on Optical Devices’ lack of prudential standing. Specifically, the ALJ found that Optical Devices does not hold all substantial rights to the subject patents and, therefore, lacks prudential standing to maintain an action for infringement without joinder of other necessary parties. The ALJ also granted Optical Devices’ motion for leave to file a surreply.

Having examined the record of this investigation, including the subject ID, the petitions for review, and the responses thereto, the Commission has determined to review the subject ID. On review, the Commission vacates the ALJ’s finding that Optical Devices lacks standing with respect to the ’007, ’979, and ’651 patents (collectively, “the Kadlec Patents”) and remands the investigation for further proceedings consistent with the Commission’s concurrently issued opinion and remand order. Further on review, the Commission finds based on modified
reasoning that Optical Devices lacks standing with respect to the ’927, ’913, and ’681 patents (collectively, “the Wild Patents”) and it would prejudice Respondents to allow Optical Devices to join other necessary parties to remedy its lack of standing at this time. The investigation is, hereby, terminated with respect to the Wild Patents.

By order of the Commission.

Secretary to the Commission
