**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 12) issued by the presiding administrative law judge (“ALJ”) on November 20, 2014, granting a motion to terminate the investigation as to respondents The Hydro Source II, Inc. of Santa Fe Springs, California (“Hydro Source”); Bizright, LLC of City of Industry, California (“Bizright”); and Silversun, Inc. of Gig Harbor, Washington (“Silversun”), based upon settlement agreements.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on August 12, 2014, based on a complaint filed on June 20, 2014, amended on July 11, 2014, and supplemented on July 18, 2014, on behalf of Sunlight Supply, Inc. of Vancouver, Washington and IP Holdings, LLC of Vancouver, Washington (collectively, “Sunlight”). 79 *Fed. Reg.* 47156 (Aug. 12, 2014). The complaint alleged violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the sale for importation, importation, and sale within the United States after importation of certain light reflectors and components, packaging, and related

advertising thereof by reason of infringement of certain claims of U.S. Patent Nos. 7,641,367; D634,469; D644,185; D545,485; and by reason of infringement of U.S. Trademark Registration Nos. 3,871,765; and 3,262,059. The complaint also alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complaint further alleges violations of section 337 based upon the importation into the United States, or in the sale of, certain light reflectors and components, packaging, and related advertising thereof by reason of false advertising, the threat or effect of which is to destroy or substantially injure an industry in the United States. The Commission's notice of investigation named numerous respondents including Hydro Source, Bizright, and Silversun (collectively, "Respondents"). *See 79 Fed. Reg.* 47156-57. The Office of Unfair Import Investigations was named as a party to the investigation. *Id.* at 47157.

On November 3, 2014, Sunlight moved to terminate the investigation as to Hydro Source, Bizright, and Silversun based upon settlement agreements between Sunlight and the Respondents. Sunlight asserted that there are no other agreements, written or oral, express or implied, between Sunlight and the Respondents concerning the subject matter of this investigation. Sunlight also asserted that granting the motion is in the public interest and will conserve the resources of the Commission. The Commission's Investigative Attorney filed a response in support of the motion.

On November 20, 2014, the ALJ issued the subject ID (Order No. 12), granting the motion to terminate the investigation as to Hydro Source, Bizright, and Silversun. The ALJ found that the settlement agreements appear to resolve the dispute between Sunlight and the Respondents, and that granting the motion would not adversely affect the public interest factors. No petitions for review were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210 of the Commission's Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.

Lisa R. Barton  
Secretary to the Commission
