Washington, DC**

**Investigation Nos. 701-TA-648 and 731-TA-1521-1522 (Preliminary)**

**Walk-Behind Lawn Mowers from China and Vietnam**

**DETERMINATIONS**

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of walk-behind lawn mowers (“walk-behind mowers”) from China and Vietnam provided for in subheading 8433.11.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (“LTFV”) and to be subsidized by the government of China.<sup>2</sup>

**COMMENCEMENT OF FINAL PHASE INVESTIGATIONS**

Pursuant to section 207.18 of the Commission’s rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the *Federal Register* as provided in section 207.21 of the Commission’s rules, upon notice from the U.S. Department of Commerce (“Commerce”) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

## BACKGROUND

On May 26, 2020, MTD Products, Inc., Valley City, Ohio, filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of walk-behind mowers from China and LTFV imports of walk-behind mowers from China and Vietnam. Accordingly, effective May 26, 2020, the Commission instituted countervailing duty investigation No. 701-TA-648 and antidumping duty investigation Nos. 731-TA-1521-1522 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference through written submissions to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the *Federal Register* of June 2, 2020 (85 FR 33710). In light of the restrictions on access to the Commission building due to the COVID-19 pandemic, the Commission conducted its conference through written questions, submissions of opening remarks and written testimony, written responses to questions, and postconference briefs. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on July 10, 2020. The views of the Commission are contained in USITC Publication 5091 (July 2020), entitled *Walk-Behind Lawn Mowers from China and Vietnam: Investigation Nos. 701-TA-648 and 731-TA-1521-1522 (Preliminary)*.

By order of the Commission.

Secretary to the Commission
