AGENCY: International Trade Commission.

ACTION: Final rules.

SUMMARY: The United States International Trade Commission (Commission) amends its rules of practice and procedure concerning rules of general application, safeguard investigations, antidumping and countervailing duty investigations and reviews, intellectual property-related investigations, and the Equal Access to Justice Act, in 19 CFR parts 201, 206, 207, 210, and 212. The Commission also renumbers two footnotes in 19 CFR part 204. The amendments are necessary to make certain technical corrections, to

clarify certain provisions, to harmonize different parts of the Commission's rules, and to address concerns that have arisen in Commission practice. The intended effect of the amendments is to facilitate compliance with the Commission's rules and improve the administration of agency proceedings.

DATES: These rules are effective August 4, 2003, without further action, unless adverse comment is received by July 3, 2003. If adverse comment is received, the Commission will publish a timely withdrawal of the rules in the **Federal Register**.

ADDRESSES: A signed original and 8 copies of each set of comments on these amendments to the Commission's Rules, along with a cover letter, should be submitted by mail or hand delivery to Marilyn R. Abbott, Secretary, United States International Trade Commission, 500 E Street, SW., Room 112, Washington, DC 20436. Comments may be submitted electronically to the extent provided by section 201.8 of the Commission's rules, as amended by 67 FR 68063 (Nov. 8, 2002).

FOR FURTHER INFORMATION CONTACT: Paul R. Bardos, Esq., Office of the General Counsel, United States International Trade Commission (telephone 202-205-3102). Hearing-impaired individuals are advised that information on this matter can be obtained by contacting the Commission's TDD terminal at 202-205-1810. General information concerning the Commission may also be obtained by accessing its World Wide Web site (<http://www.usitc.gov>).

SUPPLEMENTARY INFORMATION: This preamble provides background information, a regulatory analysis of the amendments, and then a detailed section-by-section analysis of the amendments.

Background

Section 335 of the Tariff Act of 1930 (19 U.S.C. 1335) authorizes the Commission to adopt such reasonable procedures, rules, and regulations as it deems necessary to carry out its functions and duties. To carry out its functions and duties, the Commission has issued rules of practice and procedure. The passage of time has rendered some provisions of the rules outdated. In addition, Commission practice has revealed the need for improvements in certain rules. This rulemaking updates certain outdated provisions and improves other provisions.

Consistent with its ordinary practice, the Commission is issuing these amendments in accordance with the rulemaking procedure in section 553 of

the Administrative Procedure Act (APA) (5 U.S.C. 553). This procedure entails the following steps: (1) Publication of a notice of proposed rulemaking; (2) solicitation of public comments on the proposed amendments; (3) Commission review of such comments prior to developing final amendments; and (4) publication of final amendments at least thirty days prior to their effective date. The Commission published a notice of proposed rulemaking (67 FR 38614, June 5, 2002) on which the present notice is based. No public comments were received on the notice of proposed rulemaking. Based on a continuing review of the rules to identify references that need correction or clarification, the present notice contains a number of amendments not included in the notice of proposed rulemaking.

A number of the amendments affect interim rules, *i.e.*, sections 201.201, 201.202, 201.204, 206.3. Those interim rules will be replaced with final rules in future rulemakings.

Regulatory Analysis

The Commission has determined that these amendments do not meet the criteria described in section 3(f) of Executive Order 12866 (58 FR 51735, Oct. 4, 1993) and thus do not constitute a significant regulatory action for purposes of the Executive Order.

The Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) is inapplicable to this rulemaking because it is not one for which a notice of rulemaking is required under 5 U.S.C. 553(b) or any other statute. Although the Commission has chosen to publish a notice, these amendments are "agency rules of procedure and practice," and thus are exempt from the notice requirement imposed by 5 U.S.C. 553(b).

These amendments do not contain federalism implications warranting the preparation of a federalism summary impact statement pursuant to Executive Order 13132 (64 FR 43255, Aug. 4, 1999).

No actions are necessary under the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1501 *et seq.*) because the amendments will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and will not significantly or uniquely affect small governments.

The amendments are not major rules as defined in the Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 801 *et seq.*). Moreover, they are exempt from the reporting requirements of the Contract With America Advancement Act of 1996 (5

U.S.C. 801 *et seq.*) because they concern rules of agency organization, procedure, or practice that do not substantially affect the rights or obligations of non-agency parties.

The amendments are not subject to section 3504(h) of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), since they do not contain any new information collection requirements.

Section-by-Section Analysis of the Amendments

Part 201—Rules of General Application

Subpart A—Miscellaneous

The Commission revises section 201.1 regarding the applicability of part 201 to correctly reference parts 210, 212 and 213 in the reference to rules of special application.

The Commission amends section 201.2 by revising paragraph (c), which defines the term “Tariff Act,” to include citations to 19 U.S.C. 1677m and 1677n.

The Commission amends section 201.3 by revising paragraph (c) to clarify that any document filed after Commission business hours will be considered filed the next business day, and that if filing on that day means the document is untimely filed then the document may not be accepted unless it is accompanied by a request for permission to make a late filing.

The Commission amends section 201.3a by revising paragraph (a) to update the Commission’s designated point of contact for using its penalty mail in locating and recovering missing children.

The Commission amends section 201.4 by revising paragraph (d) to correctly cite to section 202 of the Trade Act of 1974 (19 U.S.C. 2252), eliminate the citation to the former 19 U.S.C. 1303, which has been repealed, and add “*et seq.*” to the citation to 19 U.S.C. 1673 to correctly refer to all of the antidumping provisions.

The Commission amends section 201.6 by revising paragraph (a)(2) to include section 206.17 as a section having special rules for the handling of nondisclosable confidential business information. The Commission also revises paragraph (d) of section 201.6 regarding the approval or denial of requests for confidential treatment. The revision will provide for consistency by stating that approvals, like denials, would be in writing. The Commission also revises paragraph (e)(3) of section 201.6 by replacing “his consideration” with the updated reference “consideration.” The Commission revises paragraph (g) of section 201.6 regarding granting confidential status to business information to clarify when

business information deemed not entitled to confidential treatment will be treated as public information. The revised paragraph (g) will impose a five-day deadline for withdrawing such business information after which time it would become public.

Subpart B—Initiation and Conduct of Investigations.

The Commission amends section 201.8 by revising paragraph (a) to state that filings made within the Commission’s official hours of operation will be deemed filed on the date received by the Commission, consistent with the revised paragraph (c) of section 201.3 regarding Commission hours. The Commission also amends section 201.8 by revising paragraph (c), to provide that all documents filed, other than one or two-page documents, must be double-spaced, to improve the readability of documents. In addition, the Commission amends paragraph (d) of section 201.8 to require submitters to specify when a document is being filed with no confidential counterpart.

The Commission amends section 201.13 by revising paragraph (f) to provide, for ease of consideration, that supplementary materials in nonadjudicative hearings must be marked with the name of the organization submitting them. The same paragraph is also revised to remove the page limit on supplementary material that can be filed at a hearing, so that parties may present their arguments without such a limitation. The Commission revises paragraph (i)(1) of section 201.13, to delete the unnecessary reference to the requirement to file 14 copies of briefs with the Secretary, since paragraph (d) of section 201.8 already contains a requirement concerning the requisite number of copies to be filed.

The Commission amends section 201.14 by revising paragraph (a) to simplify filing requirements. In the event of an early or all-day closing of the Commission on a business day, the revision will allow the Secretary to accept filings due the day of the early or all-day closing on the next business day, without requiring the submitter to file a request for an extension of time.

Subpart C—Availability of Information to the Public Pursuant to 5 U.S.C. 552

The Commission amends section 201.17 by revising paragraph (a)(1) to permit the filing of requests electronically. Similarly, paragraph (b) of section 201.18 is revised to permit the filing of appeals by such means. The Commission has the capability of accepting electronic filing of requests at

its World Wide Web site, at <http://www.usitc.gov/foia.htm>.

The Commission amends section 201.18 by revising paragraphs (b), (d) (introductory text), and (e) to permit electronic filing of requests under the Freedom of Information Act and to correctly state that paragraph (c), and not paragraphs (a) and (b), provides for extension of time for deciding appeals of denials.

The Commission amends section 201.19 by revising paragraph (b) to clarify that the term “[s]ubmitter” includes contractors, bidders, vendors and others who have an administrative relationship with the Commission, and who provide confidential business information to the Commission. Under the amended provision, persons or entities having an administrative relationship to the Commission will qualify to receive notice before release of their confidential submission under FOIA.

The Commission amends section 201.21 by revising paragraph (a) to provide information about the Commission’s World Wide Web site, consistent with the electronic reading room provisions of the FOIA.

Subpart D—Safeguarding Individual Privacy Pursuant to 5 U.S.C. 552a

The Commission amends section 201.31 by revising the section heading and adding paragraph (c) to include employee conduct as part of the section and to rename the section heading to reflect this change. Consequently, the Commission removes section 201.33, which currently deals with employee conduct, and adds its text to section 201.31. This eliminates the current duplication of section numbers.

Subpart G—Enforcement of Nondiscrimination on the Basis of Handicap in Programs or Activities Conducted by the U.S. International Trade Commission

The Commission amends section 201.170 by revising paragraph (c) to provide an updated contact point.

Subpart H—Debt Collection

The Commission amends subpart H, regarding debt collection, to update all references to “Office of Finance and Budget” to read “Office of Finance.” The Commission also amends subpart H to update citations to applicable statutes and rules, and in particular to take into account the move of the Federal Claims Collection Standards from title 4 of the Code of Federal Regulations to title 31. The revisions affect the authority citation for subpart H; paragraphs (f), (i), and (m) of section 201.201; paragraphs

(a) and (b)(4) of section 201.202; paragraphs (a)(16)(ii), (g)(1), (g)(2), (h)(1)(iii), (h)(2)(iii), (h)(3), (h)(4)(ii), (j), and (n) of section 201.204; paragraphs (d), (f)(3), and (g)(1)(iv) of section 201.206; and paragraph (b)(3) of section 201.207.

Part 204—Investigations of Effects of Imports on Agricultural Programs

In section 204.1, the Commission redesignates footnote 5 as footnote 1. In section 204.2, the Commission redesignates footnote 6 as footnote 2. These changes correct a misnumbering of those footnotes. The Commission also revises the authority citation to simplify the citations.

Part 206—Investigations Relating to Global and Bilateral Safeguard Actions, Market Disruption, Trade Diversion, and Review of Relief Actions

Subpart A—General

The Commission amends section 206.3 by revising paragraph (b) to include in the notice of institution any limits on page lengths for posthearing briefs.

The Commission amends section 206.8 by revising paragraph (b) to provide that the Secretary shall promptly notify a petitioner of approval of an application for disclosure of confidential business information under administrative protective order (APO), and that the petitioner shall then serve a copy of the confidential petition on those approved applicants within two (2) calendar days of receiving that notification. Under the revised paragraph, which is consistent with section 207.10(b)(1)(i), approved applicants will receive a copy of the confidential petition more quickly, and without having to wait for the Secretary's issuance of the service list.

The Commission amends section 206.17 by revising paragraphs (a)(2), (b)(2), (g)(1) and (g)(3). The Commission revises paragraph (a)(2) to require only a signed APO application and five (5) copies to be filed with the Commission. Filing a signed original and fourteen (14) copies pursuant to section 201.8(d) provides the Commission with unnecessary copies. Paragraph (b)(2) is revised to clarify that confidential business information can only be used in representing an interested party. The Commission revises paragraph (g)(1) to include the definition of nondisclosable confidential business information from section 201.6(a)(2) to make the rule easier to understand. The Commission also revises paragraph (g)(3) to make it consistent with existing section 207.7

(g)(3), the analogous provision in part 207.

Part 207—Investigations of Whether Injury to Domestic Industries Results From Imports Sold at Less Than Fair Value or From Subsidized Exports to the United States

Subpart A—General Provisions

The Commission removes section 207.6 regarding reports of progress of investigation as unnecessary as duplicative of the statute. Moreover, amendments to the statute, the Commission's rules, and Commission practice have resulted in information being disseminated as a matter of course about an investigation's schedule and status. The section number is reserved.

The Commission amends section 207.7 by revising paragraph (a)(2) to require only a signed APO application and five (5) copies to be filed with the Commission, consistent with the changes in part 206. The Commission further revises paragraph (a)(2) of section 207.7 for consistency to include a deadline for adding attorneys under the APO in remanded investigations. Paragraph (b)(2) is revised to clarify that business proprietary information can only be used in representing an interested party.

Subpart F—Five-Year Reviews

The Commission amends section 207.62 by revising paragraph (b)(2) to delete the reference to "per group," as unnecessary, since a grouped review only involves one "group."

The Commission amends section 207.64 by revising paragraph (b), regarding staff reports, to conform with agency practice by providing that the final staff report will be placed in the record.

Part 210—Adjudication and Enforcement

The Commission revises paragraph (f)(2) of section 210.4 and paragraph (a) of section 210.8 to reduce the number of copies submitters must file of documents to the minimum needed by the agency. Submitters must file an original and 12—rather than 14—copies of each submission if the investigation or related proceeding is before the Commission, except that a submitter shall file the original and 6 copies of any exhibits filed with a request or petition for related proceedings. The Commission previously had effected a partial version of this reduction in the number of required copies by publishing notice of a waiver of its rules at 66 FR 58523 (Nov. 21, 2001).

Part 212—Implementation of the Equal Access to Justice Act

The Commission amends section 212.29, regarding payment of awards, to update all references to "Finance and Budget Division" to read "Office of Finance."

List of Subjects in 19 CFR Parts 201, 204, 206, 207, 210

Administrative practice and procedure, investigations.

■ For the reasons stated in the preamble, the Commission amends 19 CFR parts 201, 204, 206, 207, and 210 as set forth below:

PART 201—RULES OF GENERAL APPLICATION

■ 1. The authority citation for part 201 continues to read as follows:

Authority: Sec. 335 of the Tariff Act of 1930 (19 U.S.C. 1335), and sec. 603 of the Trade Act of 1974 (19 U.S.C. 2482), unless otherwise noted.

■ 2. Revise § 201.1 to read as follows:

§ 201.1 Applicability of part.

This part relates generally to functions and activities of the Commission under various statutes and other legal authority. Rules having special application appear separately in parts 202 through 207, inclusive, and parts 210, 212 and 213, of this chapter. In case of inconsistency between a rule of general application and a rule of special application, the latter is controlling.

■ 3. Amend § 201.2 to revise paragraph (c) to read as follows:

§ 201.2 Definitions.

* * * * *

(c) *Tariff Act* means the Tariff Act of 1930, 19 U.S.C. 1202–1677j, 1677m–n;

* * * * *

■ 4. Amend § 201.3 to revise paragraph (c) to read as follows:

§ 201.3 Commission offices, mailing address, and hours.

* * * * *

(c) *Hours.* The business hours of the Commission are from 8:45 a.m. to 5:15 p.m., eastern standard or daylight savings time, whichever is in effect in Washington, DC. Any document filed with the Secretary of the Commission after 5:15 p.m. will be considered filed the next business day. If filing on that day would be untimely, the filing may not be accepted unless a request is made for acceptance of a late filing for good cause shown pursuant to 201.14(b)(2).

■ 5. Amend § 201.3a to revise paragraph (a) to read as follows:

§ 201.3a Missing children information.

(a) Pursuant to 39 U.S.C. 3220, penalty mail sent by the Commission may be used to assist in the location and recovery of missing children. This section establishes procedures for such use and is applicable on a Commission-wide basis. The Commission's Office of Facilities Management, telephone 202-205-2741, shall be the point of contact for matters related to the implementation of this section.

* * * * *

■ 6. Amend § 201.4 to revise paragraph (d) to read as follows:

§ 201.4 Performance of functions.

* * * * *

(d) Presentation of matter that may come within the purview of other laws. Whenever any party or person, including the Commission staff, has reason to believe that (1) a matter under investigation pursuant to section 337 of the Tariff Act of 1930, or (2) a matter under an investigation pursuant to section 202 of the Trade Act of 1974 (19 U.S.C. 2252), which is causing increased imports may come within the purview of another remedial provision of law not the basis of such investigation, including but not limited to the antidumping provisions (19 U.S.C. 1673 *et seq.*) or the countervailing duty provisions (19 U.S.C. 1671 *et seq.*) of the Tariff Act of 1930, then the party or person may file a suggestion of notification with the Commission that the appropriate agency be notified of such matter or circumstances, together with such information as the party or person has available. The Secretary shall promptly thereafter publish notice of the filing of such suggestion and information, and make them available for inspection and copying to the extent permitted by law. Any person may comment on the suggestion within 10 days after the publication of said notice. Thereafter, the Commission shall determine whether notification is appropriate under the law and, if so, shall notify the appropriate agency of such matters or circumstances. The Commission may at any time make such notification in the absence of a suggestion under this rule when the Commission has reason to believe, on the basis of information before it, that notification is appropriate under law.

■ 7. Amend § 201.6 to revise paragraphs (a)(2), (d), (e)(3) and (g) to read as follows:

§ 201.6 Confidential business information.

(a) * * *

(2) *Nondisclosable confidential business information* is privileged

information, classified information, or specific information (*e.g.*, trade secrets) of a type for which there is a clear and compelling need to withhold from disclosure. Special rules for the handling of such information are set out in § 206.17 and § 207.7 of this chapter.

* * * * *

(d) *Approval or denial of requests for confidential treatment.* Approval or denial of requests shall be made only by the Secretary or Acting Secretary. An approval or a denial of a request for confidential treatment shall be in writing. A denial shall specify the reason therefor, and shall advise the submitter of the right to appeal to the Commission.

(e) * * *

(3) The justification submitted to the Commission in connection with an appeal shall be limited to that presented to the Secretary with the original or amended request. When the Secretary or Acting Secretary has denied a request on the ground that the submitter failed to provide adequate justification, any such additional justification shall be submitted to the Secretary for consideration as part of an amended request. For purposes of paragraph (e)(1) of this section, the twenty (20) day period for filing an appeal shall be tolled on the filing of an amended request and a new twenty (20) day period shall begin once the Secretary or Acting Secretary has denied the amended request, or the approval or denial has not been forthcoming within ten (10) days of the filing of the amended request. A denial of a request by the Secretary on the ground of inadequate justification shall not obligate a requester to furnish additional justification and shall not preclude a requester from filing an appeal with the Commission based on the justification earlier submitted to the Secretary.

* * * * *

(g) *Granting confidential status to business information.* Any business information submitted in confidence and determined to be entitled to confidential treatment shall be maintained in confidence by the Commission and not disclosed except as required by law. In the event that any business information submitted to the Commission is not entitled to confidential treatment, the submitter will be permitted to withdraw the tender within five days of its denial of confidential treatment unless it is the subject of a request under the Freedom of Information Act or of judicial discovery proceedings. After such five day period, the business information deemed not entitled to confidential

treatment, and not withdrawn, will be treated as public information.

* * * * *

■ 8. Amend § 201.8 to revise paragraphs (a), (c) and (d) to read as follows:

§ 201.8 Filing of Documents.

(a) *Where to file; date of filing.* Documents shall be filed at the office of the Secretary of the Commission in Washington, DC. Such documents, if properly filed within the hours of operation specified in § 201.3(c), will be deemed to be filed on the date on which they are actually received in the Commission.

* * * * *

(c) *Specifications for documents.* Each document filed under this chapter shall be double-spaced, clear and legible, except that a document of two pages or less in length need not be double-spaced.

* * * * *

(d) *Number of copies.* A signed original (or a copy designated as an original) and fourteen (14) copies of each document shall be filed. All submissions shall be on letter-sized paper (8½ inches by 11 inches), except copies of documents prepared for another agency or a court (*e.g.* patent file wrappers or pleadings papers). The original and at least one copy of all submissions shall be printed on one side only and shall be unbound (although they may be stapled or held together by means of a clip). In the event that confidential treatment of the document is requested under Sec. 201.6, at least four (4) additional copies shall be filed, in which the confidential business information shall have been deleted and which shall have been conspicuously marked "nonconfidential" or "public inspection." In the event that confidential treatment is not requested, the document shall be conspicuously marked "No confidential version filed." The name of the person signing the original shall be typewritten or otherwise reproduced on each copy.

* * * * *

■ 9. Amend § 201.13 to revise paragraphs (f) and (i)(1) to read as follows:

§ 201.13 Conduct of nonadjudicative hearings.

* * * * *

(f) *Supplementary material.* A party to the investigation may file with the Secretary supplementary material, other than remarks read into the record, for acceptance into the record. The party shall file any such material with the Secretary at the hearing. Supplementary materials must be marked with the

name of the organization submitting it. As used herein, the term *supplementary material* refers to (1) additional graphic material such as charts and diagrams used to illuminate an argument or clarify a position and (2) information not available to a party at the time its prehearing brief was filed.

* * * * *

(i) *Briefs*—(1) *Parties*. Briefs of the information produced at the hearing and arguments thereon may be presented to the Commission by parties to the investigation. Time to be allowed for submission of briefs will be set after conclusion of testimony and oral argument, if any.

* * * * *

■ 10. Amend § 201.14 to revise paragraph (a) to read as follows:

§ 201.14 Computation of time, additional hearings, postponements, continuances, and extensions of time.

(a) *Computation of time*. Computation of any period of time prescribed or allowed by the rules in this chapter, by order of the Commission, or by order of the presiding officer under part 210 of this chapter shall begin with the first business day following the day on which the act or event initiating such period of time shall have occurred. The last day of the period so computed is to be included, unless it is a Saturday, Sunday, or Federal legal holiday, in which event the period runs until the end of the next business day. When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and Federal legal holidays shall be excluded from the computation. As used in this rule, a Federal legal holiday refers to any full calendar day designated as a legal holiday by the President or the Congress of the United States. In the event of an early or all-day closing of the Commission on a business day, the Secretary is authorized to accept on the next full business day filings due the day of the early or all-day closing, without requiring the granting of an extension of time by the Chairman of the Commission, or such other person designated to conduct the investigation.

* * * * *

■ 11. Amend § 201.17 to revise paragraph (a)(1) to read as follows:

201.17 Procedures for requesting access to records.

(a) *Requests for records*. (1) A request for any information or record shall be addressed to the Secretary, United States International Trade Commission, 500 E Street SW., Washington, DC 20436 and shall indicate clearly in the

request, and if the request is in paper form on the envelope, that it is a "Freedom of Information Act Request." A written request may be made either (1) in paper form, or (2) electronically by contacting the Commission at <http://www.usitc.gov/foia.htm>.

* * * * *

■ 12. Amend § 201.18 to revise paragraphs (b), (d) introductory text, and (e) to read as follows:

§ 201.18 Denial of requests, appeals from denial.

* * * * *

(b) An appeal from a denial of a request must be received within sixty days of the date of the letter of denial and shall be made to the Commission and addressed to the Chairman, United States International Trade Commission, 500 E Street SW., Washington, DC 20436. Any such appeal shall be in writing, and shall indicate clearly in the appeal, and if the appeal is in paper form on the envelope, that it is a "Freedom of Information Act Appeal." An appeal may be made either in paper form, or electronically by contacting the Commission at <http://www.usitc.gov/foia.htm>.

* * * * *

(d) The extensions of time mentioned in paragraph (c) of this section shall be made only for one or more of the following reasons:

* * * * *

(e) The extensions of time mentioned in paragraph (c) of this section shall not exceed ten working days in the aggregate.

■ 13. Amend § 201.19 to revise paragraph (b) to revise the definition of *submitter* to read as follows:

§ 201.19 Notification regarding requests for confidential business information.

* * * * *

(b) *Definitions*. * * *

Submitter means any person or entity who provides confidential business information, directly or indirectly, to the Commission. The term includes, but is not limited to, corporations, producers, importers, and state and federal governments, as well as others who have an administrative relationship with the Commission such as contractors, bidders and vendors.

* * * * *

■ 14. Amend § 201.21 to revise paragraph (a) to read as follows:

§ 201.21 Availability of specific records.

(a) *Records available*. The following information, on request to the Secretary of the Commission, is available for public inspection and copying: (1) final

opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases; (2) those statements of policy and interpretations which have been adopted by the agency; and (3) administrative staff manuals and instructions to staff that affect a member of the public. § 201.202 Purpose and scope of salary and administrative offset rules.

(a) Purpose. The purpose of sections 201.201 through 201.207 is to implement 5 U.S.C. 5514, 31 U.S.C. 3716, and 31 U.S.C. 3720A which authorize the collection by salary offset, administrative offset, or tax refund offset of debts owed by persons, organizations, or entities to the Federal government. Generally, however, a debt may not be collected by such means if it has been outstanding for more than ten years after the agency's right to collect the debt first accrued. These proposed regulations are consistent with the Office of Personnel Management regulations on salary offset, codified at 5 CFR Part 550, subpart K, and with regulations on administrative offset codified at 31 CFR part 901.

(4) Nothing in Sections 201.201 through 201.207 precludes the compromise, suspension, or termination of collection actions where appropriate under the standards implementing the Federal Claims Collection Act (31 U.S.C. 3711 et seq.), namely, 31 CFR chapter IX.

Such notice shall advise the employee:

- (i) Of the certification that has been issued by the Director or received from another creditor agency; (ii) Of the amount of the debt and of the deductions to be made; and (iii) Of the initiation of salary offset at the next officially established pay interval or as otherwise provided for in the certification.

(2) The Office of Finance shall provide a copy of the notice to the creditor agency and advise such agency of the dollar amount to be offset and the pay period when the offset will begin.

(2) * * * (iii) Lump-sum deductions from final check. In order to liquidate a debt, a lump-sum deduction exceeding 15 percent of disposable pay may be made pursuant to 31 U.S.C. 3716 and 5 U.S.C. 5514(a)(1) from any final salary payment due a former employee, whether the former employee was separated voluntarily or involuntarily.

(3) Multiple debts. Where two or more creditor agencies are seeking salary offset, or where two or more debts are owed to a single creditor agency, the Office of Finance may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

(4) * * * (ii) In the event that a debt to the Commission is certified while an employee is subject to salary offset to repay another agency, the Office of Finance may, at its discretion, determine whether the debt to the Commission should be repaid before the debt to the other agency, repaid

simultaneously, or repaid after the debt to the other agency.

Food and Drug Administration

21 CFR Part 201

[Docket No. 02N-0241]

Amendment of Regulations on Aluminum in Large and Small Volume Parenterals Used in Total Parenteral Nutrition; Delay of Effective Date

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule; delay of effective date.

SUMMARY: The Food and Drug Administration (FDA) is amending its regulations to change the labeling requirements concerning aluminum in

small volume parenterals (SVPs) and pharmacy bulk packages (PBPs) used in total parenteral nutrition (TPN). The immediate container labels of SVPs and PBPs containing 25 micrograms per liter ($\mu\text{g/L}$) or less of aluminum may state: "Contains no more than 25 $\mu\text{g/L}$ of aluminum" instead of stating the exact amount of aluminum they contain. In addition, the final rule revises the aluminum regulations to reflect the fact that the effective date of the final rule published in the **Federal Register** of January 26, 2000 (65 FR 4103) (the January 2000 final rule) is delayed until July 26, 2004. The agency is taking these actions in response to a request from industry.

DATES: This final rule is effective July 26, 2004. The effective date for § 201.323, added at 65 FR 4103, January 26, 2000, is delayed until July 26, 2004.

FOR FURTHER INFORMATION CONTACT: Christine F. Rogers, Center for Drug Evaluation and Research (HFD-7), Food and Drug Administration, 5600 Fishers Lane, Rockville, MD 20857, 301-594-2041.

SUPPLEMENTARY INFORMATION:

I. Background

In the January 2000 final rule, FDA amended its regulations in § 201.323 (21 CFR 201.323) to enact certain requirements regarding aluminum levels in large volume parenterals (LVPs), SVPs, and PBPs used in TPN. The January 2000 final rule was originally scheduled to become effective on January 26, 2001. In the **Federal Register** of January 26, 2001 (66 FR 7864), the agency published a document delaying the effective date to January 26, 2003. In the **Federal Register** of November 26, 2002 (67 FR 70691), the agency published a document further delaying the effective date to January 26, 2004.

Section 201.323(c) of the January 2000 final rule required the product's maximum level of aluminum at expiry to be stated on the immediate container label of SVPs and PBPs used in the preparation of TPN solutions. The January 2000 final rule required that the statement on the immediate container label read as follows: "Contains no more than $\mu\text{g/L}$ of aluminum." For those SVPs and PBPs that are lyophilized powders used in the preparation of TPN solutions, the January 2000 final rule required that the maximum level of aluminum at expiry be printed on the immediate container label as follows: "When reconstituted in accordance with the package insert instructions, the concentration of aluminum will be no more than $\mu\text{g/L}$." The January 2000

final rule also required that the maximum level of aluminum be stated as the highest of: (1) The highest level for the batches produced during the last 3 years, (2) the highest level for the latest five batches, or (3) the maximum historical level, but only until completion of production of the first five batches after the effective date of the rule.

In the **Federal Register** of August 12, 2002 (67 FR 52429), FDA proposed to amend § 201.323 to permit the immediate container labels of SVPs and PBPs containing 25 $\mu\text{g/L}$ or less of aluminum to state: "Contains no more than 25 $\mu\text{g/L}$ of aluminum" instead of stating the exact amount of aluminum they contain (the 2002 proposed rule). The proposed amendment was prompted by a request from the Health Industry Manufacturers Association (HIMA, now called AdvaMed). A complete discussion of HIMA's arguments in support of the revision can be found in the 2002 proposed rule.

The agency agreed with HIMA's request for the following reasons. FDA has already determined that 25 $\mu\text{g/L}$ is a safe upper limit for manufacturers to include in LVPs and believes that it is similarly appropriate for SVPs and PBPs. If an SVP or PBP that contains 25 $\mu\text{g/L}$ of aluminum is added to a TPN solution that contains 25 $\mu\text{g/L}$ of aluminum, the concentration of aluminum in the mixture will still be 25 $\mu\text{g/L}$. Consistent with its approach to LVPs (to which SVPs and PBPs are added) that are permitted to contain 25 $\mu\text{g/L}$, FDA believes health care practitioners will be provided with sufficient information on the aluminum content of SVPs and PBPs if the label states that the product contains no more than 25 $\mu\text{g/L}$ of aluminum.

In the 2002 proposed rule, the agency also announced its intent to extend the effective date for § 201.323 as necessary to provide time for the proposal to be finalized.

II. Comments on the Proposed Rule

The agency received one comment on the 2002 proposed rule. The comment agreed with the proposal. The comment supported the agency's plan to extend the effective date of § 201.323 until the proposed rule could be finalized. The comment asked that the effective date be extended at least 18 months after January 26, 2003, to give industry sufficient time to comply with § 201.323. The comment also asked FDA to clarify that a delay of the effective date would apply to all products subject to § 201.323.

In response to this comment, the agency is delaying the effective date of
