Notice of Commission Determination to Conduct Full Five-Year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the countervailing duty orders on cold-rolled steel flat products from Brazil, China, India, and Korea and the antidumping duty orders on cold-rolled steel flat products from Brazil, China, India, Japan, Korea, and the United Kingdom would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

DATE: September 7, 2021.

SUPPLEMENTARY INFORMATION: On September 7, 2021, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that the domestic interested party group response and the respondent interested party group responses from Brazil, Japan, and the United Kingdom to its notice of institution (86 FR 29286, June 1, 2021) were adequate and that the respondent interested party group responses from China, India, and Korea were inadequate. However, the Commission determined to conduct full reviews concerning the orders on cold-rolled steel flat products from China, India, and Korea to promote administrative efficiency considering its determinations to conduct full reviews of the orders with respect to Brazil, Japan, and the United Kingdom. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

AUTHORITY: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.
