SUPPLEMENTARY INFORMATION:

Background.--On February 19, 1991, the Department of Commerce (“Commerce”) issued antidumping duty orders on imports of the following classes or kinds of heavy forged hand tools from China: (1) axes and adzes, (2) bars and wedges, (3) hammers and sledges, and (4) picks and mattocks (56 FR 6622). Following the first five-year reviews by Commerce and the Commission, effective August 10, 2000, Commerce issued a continuation of the antidumping duty order on imports of heavy forged hand tools from China (65 FR 48962). Following second five-year reviews by Commerce and the Commission, effective February 16, 2006, Commerce issued a continuation of the antidumping duty orders on imports of heavy forged hand tools from China (71 FR 8276). continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable
time. It will assess the adequacy of interested party responses to this notice of institution to determine
whether to conduct full reviews or expedited reviews. The Commission’s determinations in any
expedited reviews will be based on the facts available, which may include information provided in
response to this notice.

Definitions.--The following definitions apply to these reviews:

(1) Subject Merchandise is the class or kind of merchandise that is within the scope of the
five-year reviews, as defined by Commerce.

(2) The Subject Country in these reviews is China.

(3) The Domestic Like Product is the domestically produced product or products which are
like, or in the absence of like, most similar in characteristics and uses with, the Subject
Merchandise. In its original determinations, its full first five-year review determinations,
and its expedited second five-year review determinations, the Commission found four
Domestic Like Products: (1) axes, adzes, and hewing tools, other than machetes, with or
without handles; (2) bar tools, track tools, and wedges; (3) hammers and sledges, with
heads weighing two pounds or more, with or without handles; and (4) picks and
mattocks, with or without handles.

(4) The Domestic Industry is the U.S. producers as a whole of the Domestic Like Product, or
those producers whose collective output of the Domestic Like Product constitutes a major
proportion of the total domestic production of the product. In its original determinations,
its full first five-year review determinations, and its expedited second five-year review
determinations, the Commission found four Domestic Industries: (1) domestic producers
of axes, adzes and hewing tools, other than machetes, with or without handles; (2)
domestic producers of bar tools, track tools, and wedges; (3) domestic producers of
hammers and sledges, with heads weighing two pounds or more, with or without handles;
and (4) domestic producers of picks and mattocks, with or without handles. The
Commission excluded from the Domestic Industries companies that do no more than
assemble imported heads with handles purchased from a domestic manufacturer. In the
original determinations, the Commission also excluded one domestic producer, Madison
Mill, from the Domestic Industries under the related parties provision. In the first
reviews, the Commission did not find that Madison Mill engaged in sufficient
production-related activity to be considered a domestic producer.

(5) An Importer is any person or firm engaged, either directly or through a parent company
or subsidiary, in importing the Subject Merchandise into the United States from a foreign
manufacturer or through its selling agent.

Participation in the reviews and public service list.--Persons, including industrial users of the
Subject Merchandise and, if the merchandise is sold at the retail level, representative consumer
organizations, wishing to participate in the reviews as parties must file an entry of appearance with the
Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission’s rules, no later than
21 days after publication of this notice in the Federal Register. The Secretary will maintain a public
service list containing the names and addresses of all persons, or their representatives, who are parties to
the reviews.
Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation. The Commission’s designated agency ethics official has advised that a five-year review is not considered the “same particular matter” as the corresponding underlying original investigation for purposes of 18 U.S.C. § 207, the post employment statute for Federal employees, and Commission rule 201.15(b)(19 CFR § 201.15(b)), 73 FR 24609 (May 5, 2008). This advice was developed in consultation with the Office of Government Ethics. Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR § 201.15, even if the corresponding underlying original investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202-205-3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.--Pursuant to section 207.7(a) of the Commission’s rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the Federal Register. Authorized applicants must represent interested parties, as defined in 19 U.S.C. § 1677(9), who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.--Pursuant to section 207.3 of the Commission’s rules, any person submitting information to the Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter’s knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions.--Pursuant to section 207.61 of the Commission’s rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is February 2, 2011. Pursuant to section 207.62(b) of the Commission’s rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is March 18, 2011. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission’s rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission’s rules. The Commission’s rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.6 of the Commission’s rules, as amended, 67 FR 68036 (November 8, 2002). Also, in accordance with sections 201.16(c) and 207.3 of the Commission’s rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

Inability to provide requested information.--Pursuant to section 207.61(c) of the Commission’s rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds
the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determinations in the reviews.
