

Appendix C. Category II Petitions

As required by Section 3(b)(3)(E) of the AMCA, the following table provides a list of petitions for duty suspensions and reductions for which the Commission recommends technical corrections in order to meet the requirements of this Act, with the correction specified and updated as appropriate under subparagraph (D). These petitions are referred to as "Category II Petitions" for the purposes of this final report.

Click on the petition identification number (ID) bookmark listing to link to a detailed summary for a specific petition. If your petition ID does not appear in the first column it may have been consolidated. Please refer to Appendix A to identify the Master petition ID.

Final Report - Petition 15

Overview

Final Category:	II
Preliminary Report Updated:	No
Petitioner:	Covestro LLC
Petitioner Location:	Pittsburgh, PA 15205
Product Name:	Aliphatic/aromatic polyisocyanate copolymer
HTS Number:	3911.90.45
Chapter 99 Number:	N/A
CAS Number:	26426-91-5
Article Description:	1,6-diisocyanatohexane;2,4-diisocyanato-1-methylbenzene polymer (CAS No. 26426-91-5) in n-butyl acetate (provided for in subheading 3911.90.45).

Article Description:	Impedance analyzers, having a frequency range of 20 Hz to 120 MHz and plus or minus 42 V peak maximum output, each with 1 to 4 measurement channels, a recording device and a color touch screen measuring over 25 cm but not over 28 cm (provided for in subheading 9030.84.00).
Technical Comments:	The Commission modified the article description to more closely reflect HTS nomenclature or usage. The Commission notes that the normal trade relations (NTR) rate of duty for the product changes within the next five years due to the product's inclusion in the WTO's Information Technology Agreement. The Commission's estimated Customs revenue loss reflects this anticipated change in the NTR rate of duty.

Petitioner:	Zico Beverages LLC
Petitioner Location:	El Segundo, CA 90245
Product Name:	Coconut water juice blends
HTS Number:	2202.99.90
Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Coconut water juice blends, not from concentrate, packaged for retail sale (provided for in subheading 2202.99.90).
Technical Comments:	The Commission modified the HTS number indicated in the article description to reflect the correct classification in the 2017 HTS.
Final Report Comments:	Based on further review, the Commission notes that a pending Customs classification change resulting from action of the World Customs Organization is likely to become effective as early as November. When that decision becomes effective, the article description for this product should be modified to refer to HTS subheading 2009.90.40. Because the change has not taken effect by the date of the Commission's final report, the article description shows the current classification of the product.

Chapter 99 Number:	N/A
CAS Number:	N/A
Article Description:	Coconut water not from concentrate, flavored, packaged for retail sale (provided for in subheading 2202.99.90)
Technical Comments:	The Commission modified the article description to more closely reflect HTS nomenclature or usage. The Commission modified the HTS number indicated in the article description to reflect the correct classification in the 2017 HTS
Final Report Comments:	Based on further review, the Commission notes that a pending Customs classification change resulting from action of the World Customs Organization is likely to become effective as early as November. When that decision becomes effective, the article description for this product should be modified to refer to HTS subheading 2009.90.40. Because the change has not taken effect by the date of the Commission's final report, the article description shows the current classification of the product.
