In the Matter of

**CERTAIN ROAD MILLING MACHINES
AND COMPONENTS THEREOF**

**Investigation No. 337-TA-1067
(Remand)**

LIMITED EXCLUSION ORDER

The United States International Trade Commission (“Commission”) has determined that there is a violation of Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the unlawful importation, sale for importation, or sale within the United States after importation by Respondents Caterpillar Prodotti Stradali S.r.L. of Minerbio BO, Italy; Caterpillar Americas CV of Geneva, Switzerland; Caterpillar Paving Products, Inc. of Minneapolis, Minnesota; and Caterpillar Inc., of Peoria, Illinois (“Caterpillar,” or “Respondents”) of certain road milling machines and components thereof covered by one or more of claim 29 of U.S. Patent No. 7,828,309 (“the ’309 patent”), claims 2, 5, 16, or 23 of U.S. Patent No. 9,656,530 (“the ’530 patent”), or claims 11 or 17 of U.S. Patent No. 7,530,641 (“the ’641 patent”).

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry of covered road milling machines and components thereof

by or on behalf of Caterpillar or any of their affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude the issuance of the limited exclusion order, and that the bond during the period of Presidential review shall be in the amount of fourteen (14) percent of the entered value of the covered articles.

Accordingly, the Commission hereby **ORDERS** that:

1. Road-milling machines and components thereof that infringe claim 29 of the '309 patent, claims 2, 5, 16, or 23 of the '530 patent, or claims 11 or 17 of the '641 patent that are manufactured for or on behalf of, or imported by or on behalf of, Caterpillar Prodotti Stradali S.r.L. of Minerbio BO, Italy; Caterpillar Americas CV of Geneva, Switzerland; Caterpillar Paving Products, Inc. of Minneapolis, Minnesota; or Caterpillar Inc. of Peoria, Illinois, or any of their affiliated companies, parents, subsidiaries, contractors, joint ventures, agents, distributors, or other related business entities, or their successor or assigns ("covered articles"), are excluded from entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, for the remaining term of those patents, except under license of the patent owner, as provided by law, or for the purpose of furnishing services to their customers, including technical support and repair services relating to covered articles that were imported as of the date of this Order.

2. Notwithstanding paragraph 1 of this Order, the covered articles are entitled to entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of fourteen (14) percent of entered value of the covered articles pursuant to subsection (j) of section 337 of the

Tariff Act of 1930, as amended, 19 U.S.C. § 1337(j), from the day after this Order is received by the President until such time as the President notifies the Commission that he approves or disapproves this action but, in any event, not later than 60 days after the date of receipt of this action. All entries of covered products made pursuant to this paragraph are to be reported to U.S. Customs and Border Protection (“CBP”) in advance of the date of the entry, pursuant to procedures CBP establishes.

3. At the discretion of U.S. Customs and Border Protection (“CBP”) and pursuant to the procedures it establishes, persons seeking to covered articles that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the articles being imported are not excluded from entry under paragraph 1 of this Order and the articles have previously been determined by CBP or the Commission not to violate this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to covered articles that are imported by and for the use of the United States, or imported for, and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in section 210.76 of the Commission’s Rules of Practice and Procedure, 19 C.F.R. § 210.76.

6. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon the Department of Health and Human Services, the Department of

Justice, the Federal Trade Commission, and CBP.

7. Notice of this Order shall be published in the Federal Register.

By order of the Commission.

The bond is to be forfeited in the event that the President approves, or does not disapprove within the Presidential review period, this Order, unless the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondent on appeal, or unless Respondent exports the products subject to this bond or destroy them and provides certification to that effect satisfactory to the Commission.

The bond is to be released in the event the President disapproves this Order and no subsequent order is issued by the Commission and approved, or not disapproved, by the President, upon service on Respondent of an order issued by the Commission based upon application therefor made by Respondent to the Commission.

**UNITED STATES INTERNATIONAL TRADE COMMISSION
WASHINGTON, D.C.**

In the Matter of

**CERTAIN ROAD MILLING MACHINES
AND COMPONENTS THEREOF**

Investigation No. 337-TA-1067

LIMITED EXCLUSION ORDER

The United States International Trade Commission (“Commission”) has determined that there is a violation of Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the unlawful importation, sale for importation, or sale within the United States after importation by Respondents Caterpillar Prodotti Stradali S.r.L. of Minerbio BO, Italy; Caterpillar Americas CV of Geneva, Switzerland; Caterpillar Paving Products, Inc. of Minneapolis, Minnesota; and Caterpillar Inc., of Peoria, Illinois (“Caterpillar,” or “Respondents”) of certain road milling machines and components thereof covered by one or more of claim 29 of U.S. Patent No. 7,828,309 (“the ‘309 patent”) or claims 2, 5, 16, or 23 of U.S. Patent No. 9,656,530 (“the ‘530 patent”).

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry of covered road milling machines and components thereof by or on behalf of Caterpillar or any of their affiliated companies, parents, subsidiaries, or other

related business entities, or their successors or assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude the issuance of the limited exclusion order, and that the bond during the period of Presidential review shall be in the amount of fourteen (14) percent of the entered value of the covered articles.

Accordingly, the Commission hereby **ORDERS** that:

1. Road-milling machines and components thereof that infringe claim 29 of the '309 patent or claims 2, 5, 16, or 23 of the '530 patent that are manufactured for or on behalf of, or imported by or on behalf of, Caterpillar Prodotti Stradali S.r.L. of Minerbio BO, Italy; Caterpillar Americas CV of Geneva, Switzerland; Caterpillar Paving Products, Inc. of Minneapolis, Minnesota; or Caterpillar Inc. of Peoria, Illinois, or any of their affiliated companies, parents, subsidiaries, contractors, joint ventures, agents, distributors, or other related business entities, or their successor or assigns ("covered articles"), are excluded from entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, for the remaining term of those patents, except under license of the patent owner, as provided by law, or for the purpose of furnishing services to their customers, including technical support and repair services relating to covered articles that were imported as of the date of this Order.

2. Notwithstanding paragraph 1 of this Order, the covered articles are entitled to entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of fourteen (14) percent of entered value of the covered articles pursuant to subsection (j) of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337(j), from the day after this Order is received by

the President until such time as the President notifies the Commission that he approves or disapproves this action but, in any event, not later than 60 days after the date of receipt of this action. All entries of covered products made pursuant to this paragraph are to be reported to U.S. Customs and Border Protection (“CBP”) in advance of the date of the entry, pursuant to procedures CBP establishes.

3. The obligations set forth in subparagraphs VII(B) and VII(C) shall remain in effect until the date of expiration of U.S. Patent No. 7,828,309 and U.S. Patent No. 9,656,530.

VIII. Confidentiality

Any request for confidential treatment of information obtained by the Commission pursuant to Sections V and VI of this Order should be in accordance with Commission Rule 201.6, 19 C.F.R. § 201.6. For all reports for which confidential treatment is sought, Respondents must provide a public version of such report with confidential information redacted.

IX. Enforcement

The bond is to be posted in accordance with the procedures established by the Commission for the posting of bonds by complainants in connection with the issuance of temporary exclusion orders. *See* Commission Rule 210.68, 19 C.F.R. § 210.68. The bond and any accompanying documentation is to be provided to and approved by the Commission prior to the commencement of conduct which is otherwise prohibited by Section III of this Order.

The bond is to be forfeited in the event that the President approves, or does not disapprove within the Presidential review period, this Order, unless the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondent on appeal, or unless Respondent exports the products subject to this bond or destroy them and provides certification to that effect satisfactory to the Commission.

The bond is to be released in the event the President disapproves this Order and no subsequent order is issued by the Commission and approved, or not disapproved, by the President, upon service on Respondent of an order issued by the Commission based upon application therefor made by Respondent to the Commission.
