**NOTICE OF INITIAL DETERMINATION ON VIOLATION OF SECTION 337**

Chief Administrative Law Judge Clark S. Cheney

(January 28, 2025)

On this date, and pursuant to the Notice of Investigation, 89 Fed. Reg. 11314 (Feb. 14, 2024), and 19 C.F.R. §§ 210.10(b), 210.42(a)(1)(i), I issued the final initial determination in this matter. As explained in that determination, I have determined that no violation of section 337 of the Tariff Act of 1930, as amended, has occurred in the importation into the United States of certain capacitive discharge ignition systems, components thereof, and products containing the same, at least because no infringement of U.S. Patent No. 7,401,603 has been proved.

**SO ORDERED.**
