**BACKGROUND:** Section 404 of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act (DR-CAFTA Act) (19 U.S.C. 4112) required the Secretary of Commerce to establish an Earned Import Allowance Program (EIAP) and directed the Commission to conduct annual reviews of the program to evaluate its effectiveness and make recommendations for improvements. Section 404 of the DR-CAFTA Act authorizes certain apparel articles wholly assembled in an eligible country to enter the United States free of duty if accompanied by a certificate that shows evidence of the purchase of certain U.S. fabric. The term "eligible country" is defined to mean the Dominican Republic. More specifically, the program allows producers (in the Dominican Republic) that purchase a certain quantity of qualifying U.S. fabric to produce certain cotton bottoms in the Dominican Republic to receive a credit that can be used to ship a certain quantity of eligible apparel using third-country fabrics from the Dominican Republic to the United States free of duty.

Section 404(d) directs the Commission to conduct an annual review of the program to evaluate the effectiveness of the program and make recommendations for improvements. The Commission is required to submit its reports containing the results of its reviews to the House Committee on Ways and Means and the Senate Committee on Finance. Copies of the Commission's first four annual reviews are available on the Commission's website at [www.usitc.gov](http://www.usitc.gov), including the fourth annual review, which was published on July 26, 2013 (ITC Publication 4417). The Commission expects to submit its report on its fifth annual review by July 25, 2014.

The Commission instituted this investigation pursuant to section 332(g) of the Tariff Act of 1930 to facilitate docketing of submissions and also to facilitate public access to Commission records through the Commission's EDIS electronic records system.

**SUBMISSIONS:** Interested parties are invited to file written submissions concerning this fifth annual review. All written submissions should be addressed to the Secretary and must conform to the provisions of section 201.8 of the Commission's *Rules of Practice and Procedure* (19 C.F.R. 201.8). Section 201.8 and the Commission's Handbook on Filing Procedures require that interested parties file documents electronically on or before the filing deadline and submit eight (8) true paper copies by 12:00 p.m. eastern time on the next business day. If confidential treatment of a document is requested, interested parties must file, at the same time as the eight paper copies, at least four (4) additional true paper copies in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000).

Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission's *Rules of Practice and Procedure* (19 C.F.R. 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

The Commission intends to publish only a public report in this review. Consequently, the report that the Commission sends to the committees will not contain any confidential business information. Any confidential business information received by the Commission in this investigation and used in preparing its report will not be published in a manner that would reveal the operations of the firm supplying the information.

By order of the Commission.
