AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 18) issued by the presiding administrative law judge (“ALJ”) in the above-captioned investigation granting a motion filed by complainant L-3 Communications Mobile-Vision, Inc. (“Mobile-Vision”) to terminate the investigation as to the above-mentioned respondents (the “withdrawn respondents”) based upon a withdrawal of the complaint against the withdrawn respondents.

SUPPLEMENTARY INFORMATION: This investigation was instituted on August 26, 2008, based on a complaint filed by Mobile-Vision, of Boonton, New York. The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain base stations and wireless microphones that infringe certain claims of U.S. Patent No. 7,119,832. The complaint named 11 respondents, including the withdrawn respondents.

On January 29, 2009, the ALJ issued the subject ID, granting the motion for termination of the withdrawn respondents based upon withdrawal of the complaint against them. The ALJ rejected the withdrawn respondents' request, contained in their response to the motion, for their costs and attorneys' fees. No petitions for review were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in sections 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
