Reg.* 53441-42. The complaint alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain cast steel railway wheels and certain products containing same by reason of misappropriation of trade secrets, the threat or effect of which is to substantially injure an industry in the United States. The complaint named four respondents:

Tianrui Group Company Limited of China; Tianrui Group Foundry Company Limited of China; Standard Car Truck Company, Inc. of Park Ridge, Illinois; and Barber Tianrui Railway Supply, LLC of Park Ridge, Illinois.

On October 28, 2008, the ALJ issued the subject ID setting a target date in this investigation of February 16, 2010, and a deadline for his final initial determination of October 16, 2009. No party petitioned for review of the subject ID. The Commission has determined not to review this ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42(h) of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42(h)).

By order of the Commission.
