SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 24, 2016, based on a complaint filed by Tessera Technologies, Inc.; Tessera, Inc.; and Invensas Corporation (collectively, "Tessera"). 81 FR 41344. The notice of investigation named several respondents, including Comcast Cable Communications, LLC; Comcast Cable Communications Management, LLC; and Comcast Business Communications, LLC (collectively, "Comcast").

The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain semiconductor devices, semiconductor device packages, and products containing same by reason of infringement of one or more of U.S. Patent Nos. 6,856,007; 6,849,946; and 6,133,136. The Office of Unfair Import Investigations is not a party to this investigation.

On February 27, 2017, the ALJ issued the subject ID, which grants Comcast’s motion for summary determination of no violation of section 337 as to certain of Comcast’s rental products. On March 7, 2017, Tessera filed a petition seeking review of the subject ID. On March 14, 2017, Comcast filed a response to that petition.

The Commission is extending the date for determining whether to review the ID from March 29, 2017, to April 3, 2017.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
