**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined to extend until December 6, 2021, the due date for determining whether to review a final initial determination (“FID”) of the presiding administrative law judge (“ALJ”) finding a violation of section 337 of the Tariff Act of 1930, as amended.

**SUPPLEMENTARY INFORMATION:** On August 10, 2020, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Overhead Door Corporation of Lewisville, Texas and GMI Holdings Inc. of Mount Hope, Ohio (collectively, “Complainants”). *See* 85 FR 48264-65 (Aug. 10, 2020). The complaint, as supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain movable barrier operator systems and components thereof by reason of infringement of U.S. Patent Nos. 8,970,345; 9,483,935; 7,173,516 (“the ’516 patent”); 7,180,260; 7,956,718; and 8,410,895. *See id.* The notice of investigation names The Chamberlain Group, Inc. of Oak Brook, Illinois (“Respondent”) as the respondent in this investigation. *See id.* The Office of Unfair Import Investigations is not a party to the investigation. *See id.*

On February 10, 2021, the Commission terminated the investigation as to the '516 patent based on the withdrawal of the allegations in the complaint as to that patent. *See* Order No. 10 (Jan. 19, 2021), *unreviewed by* Comm'n Notice (Feb. 10, 2021).

On September 14, 2021, the ALJ issued the FID finding a violation of section 337 based on the infringement by Respondent of Complainants' asserted patents. The FID also includes a recommended determination ("RD") recommending, should the Commission affirm and find a violation of section 337, that the Commission issue: (1) a limited exclusion order against certain movable barrier operator systems and components thereof that are imported into the United States, sold for importation, and sold within the United States after importation, by the Respondent; and (2) a cease and desist order against the Respondent. The RD also recommends that the Commission set a bond during the period of Presidential review in an amount of 100 percent of the entered value of the movable barrier operator systems imported by or on behalf of the Respondent.

On September 27, 2021, the Respondent filed a petition for Commission review of the FID. On October 5, 2021, Complainants filed a response in opposition to the Respondent's petition.

The Commission has determined to extend until December 6, 2021, the due date for determining whether to review the FID.

The Commission's vote for this determination took place on November 30, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Lisa R. Barton  
Secretary to the Commission
