AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review three initial determinations (“IDs”) (Order Nos. 14, 15, and 16) of the presiding administrative law judge (“ALJ”) terminating the above-captioned investigation as to respondents Tyntek Corporation, Tekcore Co., Ltd., and Arima Optoelectronics Corp., based on respective consent order stipulations and proposed consent orders.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on April 6, 2009, based on a complaint filed on March 2, 2009, by Gertrude Neumark Rothschild of Hartsdale, New York. 74 *Fed. Reg.* 15520-21 (April 6, 2009). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain light emitting diode chips, laser diode chips, and products containing same by reason of infringement of certain claims of U.S. Patent No. 5,252,499. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complaint names numerous respondents.

Respondents Tyntek Corporation (“Tyntek”), Tekcore Co., Ltd. (“Tekcore”), and Arima Optoelectronics Corp. (“Arima”) filed separate unilateral motions to terminate the investigation as to each of them based on their respective consent order stipulations and proposed consent orders pursuant to

Commission rule 210.21(c)(1)(ii). The Commission investigative attorney supported each of the three motions.

On August 25, 2009, the ALJ issued three IDs, separately granting the motions for termination as to Tyntek (Order No. 14), Tekcore (Order No. 15), and Arima (Order No. 16). No party petitioned for review of the IDs, and the Commission has determined not to review them.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, and in sections 210.21 and 210.42(h) of the Commission's Rules of Practice and Procedure, 19 C.F.R. §§ 210.21, 210.42(h).

By order of the Commission.
