SUPPLEMENTARY INFORMATION: On September 7, 2011, the Commission instituted *Certain LED Photographic Lighting Devices and Components Thereof*, Inv. No. 337-TA-804, based on a complaint filed on behalf of Litepanels, Inc. of Van Nuys, California and Litepanels, Ltd. of Suffolk, United Kingdom. 76FR 55416-17 (Sept. 7, 2011). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), in the importation into the United States, sale for importation, and the sale within the United States after importation of certain LED photographic lighting devices and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 7,429,117 (“the ’117 patent”); 7,510,290 (“the ’290 patent”); 7,972,022; 7,318,652; and 6,948,823. The complaint further alleged the existence of a domestic industry. The Commission’s notice of investigation named

numerous respondents. The Office of Unfair Import Investigations was also a party to the investigation. *Id.* The Commission later terminated the investigation with respect to the '117 and '290 patents. The Commission terminated the investigation with respect to several respondents on the basis of settlement agreements or consent orders, or were found in default. On January 17, 2013, the Commission found a violation of section 337 and issued a general exclusion order ("GEO"). 78 FR 5207-08 (Jan. 24, 2013).

On December 19, 2019, the Commission issued an SFO directed to third-party importer Arri upon receiving an exclusion notice from U.S. Customs and Border Protection for attempted importation of LED photographic lighting devices and components thereof covered by the GEO.

On March 5, 2020, Arri filed a petition in the above-identified investigation, requesting rescission of the SFO based on a licensing agreement. The petition failed to include a copy of the licensing agreement as required by Commission Rule 210.76(a)(3), 19 CFR 210.76(a)(3).

Having reviewed the petition, the Commission has determined to deny the petition for failure to comply with the Commission's rules.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in part 210 of the Commission's Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.

Secretary to the Commission
