In the Matter of

**CERTAIN INK APPLICATION DEVICES AND
COMPONENTS THEREOF AND METHODS OF
USING THE SAME**

Inv. No. 337-TA-832

SEIZURE AND FORFEITURE ORDER

The U.S. Bureau of Customs and Border Protection (“Customs”) has informed the Commission that (i) the owner, importer or consignee (or the agent of such person) of certain laminated floor panels covered by a limited exclusion order attempted to import the articles into the United States; (ii) Customs denied entry of the articles into the United States by reason of the general exclusion order; and (iii) upon such denial of entry, Customs provided the owner, importer, or consignee of the articles (or the agent of such person) with written notice of the aforesaid exclusion order and the fact that seizure and forfeiture would result from any further attempt to import the articles into the United States. The Commission having determined, based on these and other documents provided by Customs, that the issuance of a seizure and forfeiture order concerning the articles would be appropriate pursuant to section 337(i) of the Tariff Act of 1930 (19 U.S.C. § 1337(i)), it is hereby ORDERED:

1. Ink application devices and components thereof and methods of using the same that are imported in violation of the limited exclusion order issued in the above-captioned investigation are to be seized and forfeited to the United States, if imported by the following firm: Chicago Tattoo Co., 1790 State Road 436, Winter Park, FL 32792, or any affiliated companies, parents, subsidiaries, or other related business entities, or any of their successors or

assigns.

2. The Secretary shall serve copies of this order on the Secretary of the Treasury; U.S. Customs and Border Protection, Washington, DC; U.S. Customs and Border Protection, Port of Cincinnati; the firm listed in paragraph 1 above; and counsel for MT Derm GmbH and Nouveau Cosmetique USA Inc., the complainants in Inv. No. 337-TA-832.

For the Commission.
