Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission TDD terminal on (202) 205-1810.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on June 21, 2013, based on a complaint filed by the Dow Chemical Company of Midland, Michigan, and by Rohm and Haas Company and Rohm and Haas Chemicals LLC, both of Philadelphia, Pennsylvania (collectively, "Dow"). *78 Fed. Reg.* 37571 (June 21, 2013). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), by reason of the importation into the United States, the sale for importation, and the sale within the United States after importation of certain opaque polymers that infringe certain claims of four United States patents. The notice of investigation named five respondents, three of whom remain in this investigation: Organik Kimya San. ve Tic. A.Ş. of Istanbul, Turkey; Organik Kimya Netherlands B.V. of Rotterdam-Botlek, Netherlands; and Organik Kimya US, Inc., of Burlington, Massachusetts (collectively, "Organik Kimya"). *See* Notice (Dec. 1, 2014) (termination as to two of the five originally-named respondents). The complaint and notice of investigation were

amended to add allegations of misappropriation of trade secrets. 78 *Fed. Reg.* 71643 (Nov. 29, 2013). The allegations of patent infringement have been withdrawn from the investigation. See Notice (Dec. 13, 2013) (withdrawal of two asserted patents); Notice (Dec. 1, 2014) (withdrawal of the remaining two asserted patents). The remaining issues are Dow's claims based on trade secret misappropriation and sanctions.

On October 20, 2014, the ALJ issued an ID (Order No. 27) ("the sanctions ID") finding Organik Kimya in default, under Commission Rule 210.42(c), and ordering monetary sanctions jointly and severally against Organik Kimya and its counsel. On December 16, 2014, the Commission determined to review the sanctions ID. The Commission is currently considering final disposition of the sanctions ID.

The Commission has determined to extend the target date for completion of the investigation to April 17, 2015.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
