SUMMARY: Notice is hereby given that the presiding administrative law judge (“ALJ”) has issued a Final Initial Determination and Recommended Determination on Remedy and Bonding in the above-captioned investigation. The Commission is soliciting comments on public interest issues raised by the recommended relief should the Commission find a violation of section 337, as amended, 19 U.S.C. § 1337. The ALJ recommended a limited exclusion order directed against certain infringing light-emitting diode products and components thereof imported by Respondents Feit Electric Company, Inc. of Pico Rivera, California (“Feit USA”); Feit Electric Company, Inc. of Xiamen, China; Unity Opto Technology Co., Ltd. of New Taipei City, Taiwan; and Unity Microelectronics, Inc. of Plano, Texas; and a cease and desist order directed against Feit USA. This notice is soliciting public interest comments from the public only. Parties are to file public interest submissions pursuant to 19 C.F.R. § 210.50(a)(4).

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. § 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. § 1337(f)(1).

The Commission is interested in further development of the record on the public interest in its investigations. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's Recommended Determination on Remedy and Bonding issued in this investigation on July 29, 2016. Comments should address whether issuance of an exclusion order and/or cease and desist orders in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
- (iii) indicate the extent to which like or directly competitive articles are produced in the United States or are otherwise available in the United States, with respect to the articles potentially subject to the recommended orders;
- (iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and
- (v) explain how the recommended orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on September 6, 2016.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to Commission Rule 210.4(f), 19 C.F.R. 210.4(f).
