Certain Welded Large Diameter Line Pipe from Japan and Mexico; Notice of Final Results of Five-year ("Sunset") Reviews of Antidumping Duty Orders

AGENCY: Import Administration, International Trade Administration, Commerce.

SUMMARY: On November 1, 2006, the Department of Commerce ("the Department") initiated the first sunset reviews of the antidumping duty orders on certain welded large diameter line pipe ("welded large diameter pipe") from Japan and Mexico, pursuant to section 751(c) of the Tariff Act of 1930, as amended, ("the Act"). On the basis of notices of intent to participate and adequate substantive responses filed on behalf of the domestic interested parties and no response from respondent interested parties, the Department has conducted expedited sunset reviews of these antidumping duty orders. As a result of these sunset reviews, the Department finds that revocation of the antidumping duty orders would likely lead to continuation or recurrence of dumping at the level indicated in the "Final Results of Reviews" section of this notice.

EFFECTIVE DATE: March 8, 2007.

FOR FURTHER INFORMATION CONTACT: Dena Crossland or Dana Mermelstein, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230; telephone: (202) 482-3362 or (202) 482-1391, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 2006, the Department initiated the first sunset reviews of the antidumping duty orders on welded large diameter pipe from Japan and Mexico, pursuant to section 751(c) of the Act. *See Initiation of Five-year ("Sunset") Reviews*, 71 FR 64242 (November 1, 2006). The Department received a Notice of Intent to Participate from American Steel Pipe Division of ACIPCO, Berg Steel Pipe Corporation, Dura-Bond Pipe LLC, Oregon Steel Mills, and Stupp Corp. (collectively "domestic interested parties"), within the deadline specified in section 351.218(d)(1)(i) of the Department's regulations. Domestic interested parties claimed interested party status under section 771(9)(C) of the Act as U.S. producers of the subject merchandise.

We received complete substantive responses to the notice of initiation from the domestic interested parties within the 30-day deadline specified in section 351.218(d)(3)(i) of the Department's regulations. We received no responses from the respondent interested parties to these proceedings. As a result, pursuant to section 751(c)(3)(B) of the Act and section 351.218(e)(1)(ii)(C)(2) of the Department's regulations, the Department conducted expedited sunset reviews of these orders.

Spooner, Assistant Secretary for Import Administration, dated March 1, 2007 ("Decision Memo"), which is hereby adopted by this notice. The issues discussed in the Decision Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the orders were revoked. Parties can find a complete discussion of all issues raised in these sunset reviews and the corresponding recommendations in this public memo, which is on file in room B-099 of the main Commerce Building.

In addition, a complete version of the Decision Memo can be accessed directly on the Web at <http://ia.ita.doc.gov/frn/index.html>, under the heading "March 2007." The paper copy and electronic version of the Decision Memo are identical in content.

|-----------------------------------|-----------------------------------|
| Japan. | |
| Nippon Steel Corporation | 30.80 |
| Kawasaki Steel Corporation | 30.80 |
