III-13. Have there been any changes in the end uses of saccharin since 2003?

- No Yes—Please describe.

III-14. Do you anticipate any changes in terms of the end uses of saccharin in the future?

- No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

PART III.--PRICING AND MARKET FACTORS--Continued

III-15. (a) Can other products be substituted for saccharin?

No Yes--Please list these substitute products in order of importance.

(1) _____ (2) _____ (3) _____

(b) For each possible substitute product, please give examples of applications and end uses for which they are substitutes.

(c) Have changes in the prices of these products affected the price for saccharin?

No Yes--To what degree do changes in their prices affect the price for saccharin? Does this effect have a time lag? If so, how long is the time lag for each substitute product? Does this vary by type of saccharin or final end use?

III-16. Have there been any changes in the number or types of products that can be substituted for saccharin since 2003?

No Yes—Please explain.

III-17. Do you anticipate any changes in terms of the substitutability of other products for saccharin in the future?

No Yes—Please describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

PART III.--PRICING AND MARKET FACTORS--Continued

III-18. To what extent have changes in the prices of raw materials affected your firm's selling prices for saccharin during January 2003-December 2008? Also discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-19. Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of U.S.-produced saccharin in the U.S. market since 2003?

No Yes--Please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.

III-20. (a) Do you anticipate any changes in terms of the availability of saccharin imported from China in the U.S. market in the future?

Increase No change Decrease

(b) If you anticipate changes in supply, please identify the changes, including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-21. Has the availability of NONSUBJECT imported saccharin changed since 2003?

No Yes--Please explain.

PART III.--PRICING AND MARKET FACTORS--Continued

III-22. Describe how easily your firm can shift its sales of saccharin between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints that would prevent or retard your firm from shifting saccharin between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-23. Have there been any significant changes in the product range, product mix, or marketing (including sales over the internet) of saccharin since 2003?

No Yes--Please describe and quantify if possible.

III-24. Do you anticipate any changes in terms of the product range, product mix, or marketing (including sales over the internet) of saccharin in the future? Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

No Yes--Please identify, including the time period.

III-25. How has demand within the United States (and outside the United States if known) for saccharin changed since 2003?

Increased No change Decreased

What principal factors affect changes in demand?

PART III.--PRICING AND MARKET FACTORS--Continued

III-26. Do you anticipate any future changes in saccharin demand in the United States and, if known, the rest of the world?

- No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-27. Please compare market prices of saccharin in U.S. and non-U.S. markets, if known. Provide specific information as to time periods and regions for any price comparisons.

III-28. Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss saccharin supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including China, and (3) the world as a whole. Of particular interest is such data from 2003 to the present and forecasts for the future.

III-29. Does your firm sell saccharin over the internet?

- No Yes--Please describe, noting the estimated percentage of your firm's total sales of saccharin in 2008 accounted for by internet sales.
