PART I.--GENERAL INFORMATION

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

- I-1a. Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.

_____hours _____dollars

- I-1b. We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

- I-2. Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

- I-3. Do you support or oppose the petition?

☐ Support ☐ Oppose ☐ Take no position

PART III.--FINANCIAL INFORMATION--*Continued*

- III-9. All intercompany profit on inputs purchased from related parties that is eliminated pursuant to formal financial statement consolidation should also be eliminated from the costs reported to the Commission in question III-11 (i.e., costs reported in question III-11, to the extent that they reflect inputs purchased from related parties, should only reflect the related party's cost and not include an associated profit component). Reasonable methods for determining and eliminating the associated profit on inputs purchased from related parties are acceptable.

Has your firm complied with the Commission's instructions regarding costs associated with inputs purchased from related parties?

☐ Yes

☐ No

- III-10. For each annual period for which financial results are reported in question III-11, please provide in the space below details of the period-specific amount of non-recurring charges, the expense/cost line items where the associated charges are included, and a brief description of the charge(s). Non-recurring charges would include, but are not limited to, items such as asset write-offs and accelerated depreciation due to restructuring of the company's certain steel threaded rod operations.

PART III.--FINANCIAL INFORMATION--Continued

- III-11. Operations on Certain Steel Threaded Rod.--Report the revenue and related cost information requested below on the certain steel threaded rod operations of your U.S. establishment(s).¹ Do not report resales of products. **Note that internal consumption and transfers to related firms must be valued at fair market value and purchases from related firms must be at cost.**² Provide data for your three most recently completed fiscal years in chronological order from left to right, and for the specified interim periods. If your firm was involved in tolling operations (either as the toller or as the tollee) please contact **Mary Klir at (202) 205-3247, mary.klir@usitc.gov** before completing this section of the questionnaire.
