PART I.—GENERAL INFORMATION

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1a. **OMB statistics.**--Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.
_____hours _____dollars

I-1b. **OMB feedback.**--We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

I-2. **Establishments covered.**--Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

I-3. **Ownership.**--Is your firm owned, in whole or in part, by any other firm?

PART III.--PRICING AND MARKET FACTORS--Continued

III-16. **Changes in substitutes.**--Have there been any changes in the number or types of products that can be substituted for barium chloride since 1984?

- No Yes--Please explain.

III-17. **Anticipated changes in substitute.**--Do you anticipate any changes in terms of the substitutability of other products for barium chloride in the future?

- No Yes--Please describe and provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-18. **Raw materials.**--To what extent have changes in the prices of raw materials affected your firm's selling prices for barium chloride since 1984? Also discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-19. **Changes in factors affecting supply.**--Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of U.S.-produced barium chloride in the U.S. market since 1984?

- No Yes--Please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.

PART III.--PRICING AND MARKET FACTORS--Continued

III-20. Availability of "subject" import supply.--

(a) Do you anticipate any changes in terms of the availability of barium chloride imported from China in the U.S. market in the future?

Increase No change Decrease

(b) If you anticipate changes in supply, please identify the changes, including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-21. Availability of "nonsubject" import supply.--Has the availability of NONSUBJECT barium chloride (*i.e.*, barium chloride imported from countries other than China) changed since 1984?

No Yes--Please explain.

III-22. Export constraints.--Describe how easily your firm can shift its sales of barium chloride between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints that would prevent or retard your firm from shifting barium chloride between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

PART III.--PRICING AND MARKET FACTORS--Continued

III-23. **Product changes.**--Have there been any significant changes in the product range, product mix, or marketing (including sales over the internet) of barium chloride since 1984?

No Yes--Please describe and quantify if possible.

III-24. **Anticipated product changes.**--Do you anticipate any changes in terms of the product range, product mix, or marketing (including sales over the internet) of barium chloride in the future? Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

No Yes--Please identify, including the time period.

III-25. **Demand trends.**--

(a) How has the demand within the United States for barium chloride changed since 1984? What principal factors affect changes in demand?

Increased No Change Decreased Fluctuated

(b) How has the demand outside the United States (if known) for barium chloride changed since 1984? What principal factors affect changes in demand?

Increased No Change Decreased Fluctuated

PART III.--PRICING AND MARKET FACTORS--Continued

III-26. Anticipated demand trends.--

(a) How do you anticipate demand will change within the United States for barium chloride in the future? What principal factors that will affect these changes in demand?

Increase No Change Decrease Fluctuate

(b) How do you anticipate demand will change outside the United States for barium chloride in the future? What principal factors that will affect these changes in demand?

Increase No Change Decrease Fluctuate

III-27. Price comparisons.--Please compare market prices of barium chloride in U.S. and non-U.S. markets, if known. Provide specific information as to time periods and regions for any price comparisons.

III-28. Market studies.--Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss barium chloride supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including China, and (3) the world as a whole. Of particular interest is such data from 1984 to the present and forecasts for the future.
