Barium Chloride From China

ACTION: Notice of Commission determination to conduct a full five-year review concerning the antidumping duty order on barium chloride from China.

SUMMARY: The Commission hereby gives notice that it will proceed with a full review pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty
order on barium chloride from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the review will be established and announced at a later date. For further information concerning the conduct of this review and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

DATES: Effective Date: October 5, 2009.

SUPPLEMENTARY INFORMATION: On October 5, 2009, the Commission determined that it should proceed to a full review in the subject five-year review pursuant to section 751(c)(5) of the Act. The Commission found that the domestic interested party group response to its notice of institution (74 FR 31757, July 2, 2009) was adequate and that the respondent interested party group response was inadequate. The Commission also found that other circumstances warranted conducting a full review.1 A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s statements will be available from the Office of the Secretary and at the Commission’s Web site.

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

1 Commissioners Charlotte R. Lane, Irving A. Williamson, and Dean A. Pinkert found that no other circumstances warranted conducting a full review and voted for an expedited review.
